

ANNUAL REPORTS

of the

Town of Granville

Year Ending December 31, 1926

COMMONWEALTH OF MASSACHUSETTS HAMPDEN, SS.

To either of the Constables of the Town of Granville:

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Granville in said County qualified to vote in Town affairs, to meet at the Town Hall in said Granville on Monday, the fourteenth day of February next, the polls to be opened at ten o'clock a. m. and may be closed at half past two o'clock, p. m., unless prolonged by a vote of the Town, then and there to act on the following articles:

- Article 1. To choose a Moderator to preside at said meeting.
- Art. 2. To bring in and deposit their ballots for a Town Clerk, a Town Treasurer, three Selectmen, three Overseers of poor, two Auditors, a Collector of Taxes, a Tree Warden, and two Constables, an Electric Light Commissioner all for one year, one Electric Commissioner for two years, one Electric Commissioner, one Iibrary Trustee, one Assessor, and one School Committee all for three years.
 - Art. 3. To choose all necessary Town Officers.
- Art. 4. To hear the annual report of the Selectmen, Assessors, Overseers of Poor, Town Treasurer and School Committee and act thereon.
- Art. 5. To raise such sums of money as may be deemed necessary to defray Town Charges for the ensuing year and make appropriations for the same.
- Art. 6. To determine the manner of collecting taxes for the ensuing year, and decide what the compensation shall be.
- Art. 7. To see what appropriation the Town will make with the money received from the dog fund.
- Art. 8. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of taxes of the municipal year, beginning Jan. 1, 1927 to an amount not exceeding \$12,000.00, and to issue a note or notes therefore payable within one year. Any debt or debts incurred under this vote to be paid from taxes of said municipal year.
- Art. 9. To see if the Town will vote to buy bonds for its Town officers, and make appropriation for the same.
- Art. 10. To see if the Town will choose one or more persons to take charge of all law suits that may be brought by or against the Town within the ensuing year.

- Art. 11. To see if the Town will vote to adopt a By-Law in regard to licensing dogs.
- Art. 12. To see if the Town will vote to appropriate the sum of \$200.00 to the Trustees for County Aid to Agriculture, to be expended for the agricultural and home economics extension service in this County and Town, in accordance with provisions of section 40 to 45 Chapter 126 of the General Laws of Massachusetts.
- Art. 13. To see if the Town will vote to co-operate with the State and County in permanent road work a continuation of 1926 work and make appropriation for the same.
- Art. 14. To see if the Town will vote to reimburse Noble & Cooley Co. the sum of \$100 for money expended widening the road near their factory and make an appropriation for same.
- Art. 15. To see if the Town will vote to give a Quit Claim deed of school property in North Lane and South West district.
- Art. 16. To see what appropriation the Town will make of money received from school property.
- Art. 17. To see if the Town will vote to elect an Electric Light Commission of three men, one to be elected for three years, one for two years and one for one year.
- Art. 18. To see if the Town will vote to raise and appropriate a sum of money for the use of the Commission, to defray charges that may come before them.
- Art. 19. To see if the Town will vote to accept the provisions of Chapter 53 of the General laws and any amendments thereto.
- Art. 20. To see if the Town will vote to raise and appropriate a sum of money to be used on property bought for Town Forest.
- Art. 21. To see if the Town will vote to accept the new Community Building and make what appropriation they may deem necessary.
- Art. 22. To see if the Town will vote to buy a new Ballot Box and make appropriation for same.
- Art. 23. To transact any other business that may legally come before said meeting.

And you are hereby directed to serve this warrant by posting up attested copies thereof at each of the usual placs in Town for posting such notices seven days at least before the time of holding said meeting.

Hereof fail not, and make due return of this warrant with your doing thereon to the Town Clerk at the time and place of said meeting.

Given under our hands this fourteenth day of January in the year of our Lord one thousand nine hundred and twenty-seven.

HARRY A. ROOT, PORTER T. FRISBIE, DAVID F. KENNEY,

Selectmen of Granville.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Committee of the Town of Granville:

I submit this school report for the year ending Dec. 31, 1926.

It is a pleasure to be able to report that the condition of schools in town is generally good. The quality of work accomplished is creditable and the goals for future achievement are set well in advance.

It has been said that the first and most important asset for any school is a good teacher. I can conscientiously say that each school is particularly fortunate in having such a teacher.

During the past year we were sorry to lose Mrs. Phelon, teacher of Grades 7, 8 and 9, at the beginning of the Spring Term and Miss Wombeldt, teacher of Grades 1, 2 and 3, at the end of the year. Miss Minnie L. Littlefield finished the year in Mrs. Phelon's school. These vacancies were filled at the opening of this school year by Miss Louise Kostenbader and Miss Frida Lund. Grades 4, 5 and 6 at E. Granville, So. Lane, Ore Hill and Beech Hill are showing the effect of retaining a competent teacher for more than one year. The best work is possible only when a good teacher continues for a series of years.

We are endeavoring this year to give additional emphasis to the subject of reading. Standard tests of last year showed that many of our children did better in other subjects. We hope to improve the reading and to secure better results in other subjects as well. With close co-operation of the homes. I am sure this will be possible.

I wish to call your especial attention to the matter of school buildings. It is here that we find one of our most serious problems. In the report of last year I indicated the building needs of the three sections—East Granville, West Granville and Beech Hill, and suggested that advisability of caring for these needs by a constructive program carried over a series of years. Let me again express my belief in the wisdom of such a policy. From my acquaintance with the situation, I believe the following to be true:

- 1. Present quarters are not suitable.
- 2. People desire something better.
- It is possible to carry out a building program without excessive chool expenditures.

In support of the first statement that present quarters are not suitable would remind you that the three upper grades at East Granville are ithout a permanent location. The old school building is poorly lighted 1d badly heated. One needs to read the recent papers only to realize hat might happen to the children in the upper room should the narrow airway which forms the main exit become blocked in case of fire. This a real danger and should be eliminated. Out-buildings are not such as be tolerated as a part of the educational equipment of a progressive immunity.

Conditions in other parts of the town remain as reported a year ago ith the exception of the installation of stove jackets at So. Lane and seech Hill.

In regard to costs, I refer you to the Annual Report of the Department of Education for the year ending Nov. 30, 1926 from which the following is taken: The rate of total tax per \$1000 valuation for 1925 was \$29.00. The expenditure for support of schools per \$1000 valuation was \$9.42, showing that slightly less than 1-3 of your total tax rate was chargeable to schools.

The total expenditure for schools in 1925 was \$12,383.49. A little less than 1-2 of this (\$6,186.91) was raised by local taxation. Changes in the Law made in 1926 indicate even more favorable conditions as to reimbursements.

Granville's rank was 74 among the 124 towns under 5000 population not maintaining a High School as to the local cost per pupil in membership. In other words, 50 of the 124 towns spent more per pupil from local taxation than did Granville.

We see, therefore, that (1) School costs compared with other town expenses are low. (2) State reimbursements are of such amount that a little less than half of the school cost is raised locally. (3) Compared with other towns of its group, the expense to Granville per pupil in school is not excessive.

Let me ask, therefore, that you give the matter of school buildings your early and careful attention. Improved buildings will make it possible to organize work along more up-to-date lines and lead to much greater progress.

Respectfully submitted,

C. H. PRATT.

The following is submitted by Miss Luella I. Young:

REPORT OF SCHOOL NURSING SERVICE FOR GRANVILLE January 1926 to January 1927

A health story with lantern slides was given by Miss Ruth Foss of the State Department of Health on May 6th.

Modern Health Crusade material was provided by Hampden County Tuberculosis Association for the children of the 4th, 5th and 6th grades at the Center School.

No. of Home visits 7
No. of children not vaccinated 54

The following figures show the result of the Census of Granville as taken October 1, 1926:

Number of minors between 5 and 16 years of age	123
Number of above attending public elementary schools	106
Number of above attending High School	8
Number of above not in school	9

There are 16 Granville pupils this year attending High Schools as follows:

Smith's Agricultural School	3
Springfield Technical High School	2
Westfield High School	11

The following table shows the enrollment by grades in the different schools as of October 1, 1926.

School	Ungraded	1	2	3	4	5	6	7	8	9 T.	
Grammar								9	4	8 21	
Intermediate					9	6	7			22	
Primary	2	10	6	7						25

REPORT OF LIBRARY TRUSTEES

There are 4,709 books in the Library. 1772 books and 560 magazines have been loaned during the year from the main Library and 182 from the West Granville branch.

The Library Club has supplied the Reading Room with periodicals.

The Library Club and the Town have shared equally in heating and lighting the building, in the Janitor's salary, in the installation of electricity and in repairs and sundry expenses.

The Town has paid the salaries of the Librarians and the Library Club that of the Attendant of the Reading Room.

REPORT OF THE TRUSTEES FOR COUNTY AID TO AGRICULTURE CO-OPERATING WITH THE HAMPDEN COUNTY IMPROVEMENT LEAGUE 1926

Annie W. Noble, 1928 Roswell O. Rowley, 1929

The Hampden County Improvement League has been at work in this County for fourteen years but never before has it accomplished as much as it did in 1926. Two thousand boys and girls were reached through the organized club work. Fifteen hundred women were members of the va-

rious groups and classes studying modern methods of home making, while hundreds of others were reached in a more indirect way. Most of the good farms and the progressive farmers were reached through the work of the County Agricultural Agent and better farming throughout the whole county was the result. An outstanding feature of the League's work during the year 1926 was its activity in initiating the movement which resulted in the clean up of the tuberculous cattle frauds in the county.

In the town of Granville the same measure of good work prevailed. There were fifty-four women regularly enrolled in the various Home Economics study groups. In Granville Center this work was carried on under the local direction of a committee of which Mrs. H. B. Dickinson was chairman; Mrs. Bernice Dickinson, vice chairman; and Mrs. R. C. Hiers. secretary. In West Granville the committee in charge was Mrs. Porter Frisbie, chairman; Mrs. Stephen Roberts, vice-chairman; and Mrs Clarence Barnes, secretary.

Six 4H Club projects were carried on throughout the year and 49 boys and girls were regularly enrolled in this work. The local leader in charge of this is Mrs. H. B. Dickinson. Outstanding club members in the town are Archie Jensen and Jay Welch, both of whom are members of the Hampden County Fruit Judging Team. Among the girls, Doris and Eleanor Roberts, Eugenie Bennett, Helen Peterson, and Evelyn Johnson excel in sewing. The Granville sewing club is recognized as the best in the county.

Club exhibits in garden and fruit were held in Granville Center and at West Granville at the close of the garden season.

In the Agricultural work Granville has two alfalfa demonstrators in Joseph and Richard Dickinson. These two men are also members of the Cow Test Association. Two orchard project demonstrators are B. H. Dickinson and William Hansen.

As a further reward for Granville's initiative in establishing a town forest a member of the League who is greatly interested in this subject is providing the funds for planting 5,000 additional trees in the new town forest this year.

The town of Granville makes a regular appropriation of \$200 to the work of the Hampden County Improvement League each year. The Trustees for County Aid to Agriculture respectfully request the renewal of this appropriation for the year 1927.

Respectfully submitted,

TRUSTEES FOR COUNTY AID TO AGRICULTURE,

By Lynne P. Townsend

Asst. Managing Director.

ANNUAL REPORTS

OF THE

TOWN of GRANVILLE

Year Ending December 31, 1927

COMMONWEALTH OF MASSACHUSETTS HAMPDEN, SS.

To either of the Constables of Granville:

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of Granville, qualified to vote in town affairs, to meet in the new town hall in said Granville on Monday, the thirteenth day of February, the polls to open at ten o'clock a. m., and may be closed at three p. m. unless prolonged by vote of the town, then and there to act on the following articles:—

- Art. 1. To choose a Moderator to preside at said meeting.
- Art. 2. To bring in and deposit their ballots for one Moderator, one Town Clerk, one Town Treasurer, one Selectman, one Collector of Taxes, one Tree Warden, two Constables, and two Auditors, each for one year; one Selectman and one School Committee, each for two years; one Assessor, one Selectman, one Library Trustee, one School Committee, and one Electric Light Commissioner, each for three years.
 - Art. 3. To choose all necessary Town Officers.
- Art. 4. To hear the annual report of the Selectmen, Assessors, Board of Public Welfare, Town Treasurer, Collector of Taxes, School Committee, and Electric Light Commission, and act thereon.
 - Art. 5. To see what sum the town will appropriate for Moderator.
- Art. 6. To see what sum the town will appropriate for Selectmen's Department.
- Art. 7. To see what sum the town will appropriate for Treasury Department.
- Art. 8. To see what sum the town will appropriate for Collector's Department.
- Art. 9. To see what sum the town will appropriate for Assessors' Department.
- Art. 10. To see what sum the town will appropriate for Town Clerk's Department.
- Art. 11. To see ...hat sum the town will appropriate for Auditing Department.

- Art. 12. To see what sum the town will appropriate for Election and Registration.
 - Art. 13. To see what sum the town will appropriate for Town Hall.
 - Art. 14. To see what sum the town will appropriate for Law.
 - Art. 15. To see what sum the town will appropriate for Forest Fires.
 - Art. 16. To see what sum the town will appropriate for Tree Warden.
- Art. 17. To see what sum the town will appropriate for Inspection of Animals and Provisions.
- Art. 18. To see what sum the town will appropriate for Certifying Town Notes.
- Art. 19. To see what sum the town will appropriate for Health and Sanitation.
- Art. 20. To see what sum the town will appropriate for Memorial Day.
- Art. 21. To see what sum the town will appropriate for Insurance on Buildings.
- Art. 22. To see what sum the town will appropriate for Printing Town Reports.
 - Art. 23. To see what sum the town will appropriate for Town Forest.
 - Art. 24. To see what sum the town will appropriate for State Aid.
- Art. 25. To see what sum the town will appropriate for County Aid to Agriculture.
- Art. 26. To see what sum the town will appropriate for Public Welfare.
- Art. 27. To see if the town will appropriate a sum sufficient to pay the interest on town notes for the ensuing year.
- Art. 28. To see what sum the town will appropriate for General Highway Purposes, under Chap. 81 of the General Laws.
- Art. 29. To see what sum the town will appropriate for Permanent Road Work, under Chap. 90 of the General Laws.
 - Art. 30. To see what sum the town will appropriate for Winter Roads.

- Art. 31. To see what sum the town will appropriate for Bridges and Railings.
- Art. 32. To see what sum the town will appropriate for Educational Purposes.
- Art. 33. To see what sum the town will appropriate for Library Purposes.
- Art. 34. To see what sum the town will appropriate for Maintaining Law and Order.
- Art. 35. To see if the town will appropriate \$250 to pay the Town Hall note, maturing in 1928.
- Art. 36. To see if the town will appropriate \$1,100 from the Truck and Tractor Account to pay the Tractor note, maturing in 1928.
- Art. 37. To see if the town will authorize the Selectmen to appropriate from the Truck and Tractor Account a sum sufficient to buy a truck, if the funds are available and such action seems desirable.
 - Art. 38. To see if the town will appropriate \$500 for Street Lighting.
- Art. 39. To see if the town will appropriate \$600 from the receipts of the Electric Light Department for Bond payment.
- Art. 40. To see if the town will appropriate \$513 from the receipts of the Electric Light Department for Interest payment.
- Art. 41. To see if the town will appropriate \$360 from the receipts of the Electric Light Department for depreciation.
- Art. 42. To see if the town will transfer from the Depreciation Account to the Construction Account.
- Art. 43. To see if the town will appropriate from the receipts of the Electric Light Department for Operating and Maintenance.
- Art. 44. To see if the town will appropriate a sum of money sufficient to pay the balances, up to December 31, 1927, on overdrawn accounts and money expended where no appropriations have been made.
- Art. 45. To see if the town will provide for extraordinary and unforseen expenditures by a sum not exceeding five per cent of the tax levy for the preceding year to be known as the Reserve Fund.
- Art. 46. To see if the town will raise such sums of money as may be necessary to defray the expenses of the town for the financial year ending December 31, 1928.

- Art. 47. To see if the town will authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenue of the current financial year.
- Art. 48. To see if the town will authorize the Treasurer, with the approval of the Selectmen, to borrow, on and after January 1, 1929, in anticipation of the revenues of the financial year ending December 31, 1929.
- Art. 49. To transact any other business that may legally come before said meeting.

And you are directed to serve this warrant by posting attested copies thereof at each of the usual places in town for posting such notices, seven days at least before the time for holding said meeting.

Hereof fail not, and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hands this twentieth day of January in the year of our Lord one thousand nine hundred twenty-eight.

HARRY A. ROOT,
DAVID F. KENNEY,
PORTER T. FRISBIE,
Selectmen of Granville.

RULES AND REGULATIONS

1898

FOR THE BETTER MAINTAINING OF ORDER IN TOWN MEETINGS

- lst. The Moderator shall preserve decorum and order; may speak to points of order in reference to others; and shall decide all questions of order.
- 2nd. When any voter shall require a question to be determined by yeas and nays, the Moderator shall take the sense of the meeting in that manner, provided one-third of the voters present are in favor of it.
- 3rd. He shall propound all questions in the order in which they are moved, unless the subsequent motion be previous in its nature; except that, in naming sums and fixing times, the largest sum and longest time shall be first.
- 4th. When a question is under debate the Moderator shall receive no question, but to adjourn, to lay on the table, for the previous question, to

postpone to an hour certain, to amend, or to postpone indefinitely; which several motions shall have precedence in the order in which they stand arranged.

- 5th. When two or more happen to rise at once, the Moderator shall name the one who is to speak first.
- 6th. No voter shall speak more than three times on one question, without first obtaining leave of the meeting, nor more than twice until others who have not spoken, shall speak, if they desire it.
- 7th. All Committees shall be appointed and announced by the Moderator, unless otherwise specially directed by the meeting.
- 8th. When any voter shall make a motion, and such a motion shall be seconded by another, the same shall be received and considered by the meeting, and not otherwise.
- 9th. When a vote has passed it shall be in order for any one of the majority to move for a reconsideration thereof; and when a motion of reconsideration is decided, that decision shall not be reconsidered.
- 10th. No one shall be allowed to stand up to the interruption of another while any one is speaking, or pass unnecessarily between the Moderator and the person speaking.
- 11th. Every motion shall be reduced to writing if the Moderator desires it.
- 12th. Any voter may call for a division of the question, where the sense will admit of it.
- 13th. No motion or proposition of a subject different from that under consideration, shall be admitted under color of amendment.
- 14th. When a vote is doubted, the voters for or against the question, when called on by the Moderator, shall rise and stand uncovered till they shall be counted.
- 15th. Individuals while speaking shall stand uncovered and address the Moderator.
 - 16th. No person shall be permitted to stand on the seats.
- 17th. A motion to adjourn without date shall be debatable; but a motion to adjourn to a day certain shall not be debatable.
 - 18th. No person shall be permitted to smoke in this house.

To the voters of the town of	Granville	e:			

We wish to thank you for your co-operation during the past year.

We also wish to call your attention to the deficit in the different departments, which we claim was the fault of no one department, but rather one which all voters should share. If at the annual meeting there is not interest enough shown to make necessary appropriations, we cannot do the work lawfully. If at any time there is anything that you do not understand, would it not be better to go to whatever department head it came under, before doing so much knocking, and get an explanation. That is what you elect them for.

Respectfully submitted,

HARRY A. ROOT,
DAVID F. KENNEY,
PORTER T. FRISBIE,
Selectmen of Granville.

Auditors

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Committee of the Town of Granville:

I submit the following report for the year ending Dec. 31, 1927.

The schools show an enrollment this year of 108 as of Oct. 1st. A

year go the enrollment at the same time was 112.

Twenty-one pupils from Granville started in High School this Fall, though two of these are not attending at present. Three of the present High School pupils will finish their courses during the year. Nine others who are now in our Town Schools have signified their intention of starting High School next Fall. If they carry out their plans, this would give us a net increase of six in High School for next year.

Three of our teachers, Miss Bingham of Beech Hill School, Miss Broga of Ore Hill School and Miss Millot of So. Lane School, left us at the end of June. I regret their loss. We have been fortunate in securing Miss Alice Brookings for Beech Hill, Miss Frances E. Emery for Ore Hill and Miss Evelyn Meiklejohn for So. Lane. These teachers are graduates of North Adams Normal School in the class of 1927. They are taking hold of the work in a very capable manner and I look forward to a successful future for them and for their schools.

SCHOOL BUILDINGS

It is a matter of regret that we can report little progress toward bringing together the two schools at West Granville. Ore Hill has an enrollment of eight pupils distributed in five grades. South Lane has an enrollment of nineteen pupils distributed in seven grades. This type of school organization compares with the buildings in which they are housed—both were an achievement of many years ago. Modern schools like other present day achievements are far more efficient than old methods. Are the children of today who are growing into men and women of tomorrow receiving a square deal if their preparation is confined within a school designed perhaps half a century ago?

The housing situation at East Granville remains unchanged. Light, heat and sanitation are bad in each of these schools. Some steps should be taken to improve these conditions. If costs are to be considered, let us ask whether it is not more costly in health and loss of efficiency to continue as at present than would be the cost in money to take steps necessary to put the buildings in suitable shape. Economy is not a proper term to apply where impaired eyesight or other physical danger is caused by such saving of expense.

SCHOOL COSTS

BGITOOL GOOTS	
As shown elsewhere, the total cost of schools for the year	
1927 was /	\$ 15,494.82
Receipts from Outside Sources:	
State Reimbursement Income Tax, Part 1 \$ 850.00	
State Reimbursement Income Tax, Part II 2,538.33	
State Reimbursement Tuition Smith's Agri-	
cultural School 225.00	
State Reimbursement Transportation Smith's Agri-	
cultural School 301.00	
State Reimbursement H. S. Transportation 1,752.10	
State Reimbursement H. S. Tuition 1,308.15	
State Reimbursement Supt. Small Towns 580.00	
State Reimbursement Tuition State Wards 685.34	
Dog Licenses 89.36	8,329.28
X I	9 716554

Net cost \$ 7,165.54

While the amount of receipts from outside sources is not all available for school expenditures during the current year, that amount does go into the treasury for later appropriation. It is in this way that we can understand the above statement of net cost. We thus see that the State Reimbursements on account of schools amount to more than half the total school cost for the year 1927.

HEALTH

In addition to the usual examination given by the School Physician and Nurse, there has been a special clinic by the Hampden County Tuber-culosis & Public Health Association and the Westfield Sanitorium.

Their report to the Supt. and Nurse specifies the children who need

dentistry, those who have diseased or enlarged tonsils and adenoids and those who show a tendency toward tuberculosis. A general test of sight and hearing is made each year, as required by law.

It is our desire to give all parents the full knowledge of these surveys as they effect their children. It is the purpose of the School Nurse and. Physician to assist in the improvement of health conditions. Prevention is better than cure. I hope all possible advantage will be taken of their services and full co-operation extended to their work.

The Town has complied with the law requiring school children to be vaccinated.

It is hoped that during the coming year all children may be offered the opportunity to receive the Toxin-antitoxin treatment to prevent diphtheria.

Miss Esther McCormick of Becket accepted the position of School Nurse at the beginning of this School year. Her work has been interrupted, somewhat, by the flood which devastated her home town, but she is again with us and I hope the people will make her acquaintance and receive her help.

Respectfully submitted,

C. H. PRATT, Superintendent.

Becket, Mass., Jan. 24, 1928.:

Mr. C. H. Pratt,

Supt. of Schools, Granville, Mass.

Mr. dear Mr. Pratt:

I submit the following report of health work in Granville:

The annual physical examination of the children was made by the School Physician in September. Cards notifying the parents of defects found were sent home.

Hygiene talks are given in the schools and such essentials as tooth brushing, etc., are taught by competitive games, charts and stories.

The greatest thing done this Fall was the clinic held in Granville by the State. A report of the clinic follows:

Total Number of Children Examined

Granville West Granville Beech Hill		70 23 11
Total Total Number of Contacts Examined		104
Granville West Granville		3
Beech Hill		0
Total		4

Total Number of Children Given the Tube Granville West Granville Beech Hill	erculin Test	65 23 11
Total Reactors Granville West Granville Beech Hill Total Total Number of Children X-Rayed Granville West Granville	8 3 1 — 12 or 12%	99× 8° 3
Beech Hill Total Negatives Granville West Granville Beech Hill	5 2 1	12
Total Classified as Suspects Granville West Granville Beech Hill		
Total Total Number of Children in need of Den Granville West Granville Beech Hill	4 tistry	58° 16 10
Total Total Number of Children with Enlarged of Tonsils and Adenoids Granville West Granville Beech Hill Total	or Diseased	84
Total		11

It will be seen by reading through the report that the most urgent need is that of dental work. One method of solving this problem is to hold a dental clinic in a central place in town. Very small individual charges

may be made to help finance the project, of course allowing free work if it seems to be warranted. I should like to see this or a similar plan carried out in Granville. Dental work would, in my estimation, be the greatest step in the climb toward the health goal.

In closing I wish to thank everyone for the help and co-operation shown in the Health Program.

Respectfully submitted,

ESTHER E. McCORMICK, R. N.,

School Nurse.

GRANVILLE SCHOOL CALENDAR 1927-1928

Fall Term: Sept. 6, 1927 to Dec. 16, 1927—15 weeks.

Winter and Spring Terms: Jan. 3, 1928 to June 21, 1928-22 weeks.

Total, 37 weeks.

A vacation of two or three weeks will be taken at such time in the Spring as appears best to serve purposes of transportation.

Graduation—Thursday evening, June 21, 1928, at 8 o'clock.

Fall Term of 1928 opens Tuesday, Sept. 4, and closes Friday, Dec. 21, 1928.

Vacation Holidays:

Wednesday, Feb. 22, 1928, Washington's Birthday.

Thursday, April 19, 1928, Patriots' Day.

Wednesday, May 30, 1928, Decoration Day.

Monday, Sept. 3, 1928, Labor Day.

Monday, Sept. 17, 1928, Eastern States Exposition.

Friday, Oct. 12, 1928, Columbus Day.

Thanksgiving and Friday following.

REPORT OF THE TRUSTEES FOR COUNTY AID TO AGRICULTURE CO-OPERATING WITH THE HAMPDEN COUNTY IMPROVEMENT LEAGUE 1927

To the Voters of Granville:

Granville makes a yearly appropriation for the Trustees for County Aid to Agriculture co-operating with the Hampden County Improvement League. This money is used to help defray expenses of the Extension Service for this Town.

The County Agent has furnished spray service cards to fruit growers and at times has assisted many of the orchardists on different orchard problems. Several poultrymen have been given service. Two stands of alfalfa have been secured as a result of co-operating with the county agent. Through the advice and assistance of the county agent, fifty-one herd owners made application and had their herds tuberculin tested under State and Federal supervision.

The Home Bureau carried five projects with eleven meetings with an attendance of 134 women. The Home Bureau Committee, Mrs. B. H. Dickinson, Mrs. R. G. Hiers, West Granville, Mrs. Peter Frisbie, Mrs. Richard York, Mrs. Stephen Roberts and the local leaders, Susan Phelon, Mrs. Joseph Dickinson, West Granville, Mrs. Cora Welch and Mrs. Joseph Welch, Jr., aided materially in making arrangements, and assisting in this work.

The boys' and girls' 4-H Club work had an enrollment of sixty in the different projects. Club members won \$42.75 in prizes at the Eastern States Exposition. As a result of club work the West Granville Community Fair originated and a permanent organization for a yearly Fair has resulted.

Much credit for the success of the club work is due Mrs. H. B.

Dickinson, Mrs. Bernice Dickinson, Mrs. Pearl Phelon and Mrs. Ora Gooding.

The League co-operated with the citizens in two successful community meetings, one in Granville and one in West Granville.

Mr. Joseph Welch, Jr., and Mrs. H. B. Dickinson are town directors for the League.

We respectfully request that you appropriate the sum of \$150 to the Trustees for County Aid to Agriculture for the year 1928.

Hermon W. King, George S. Cook, Mrs. J. P. Kirby, Mrs. W. G. Dwight, Harry C. Lane, R. Frank McElwain, Horace A. Moses, Fred D. Rogers, Frederick A. Upham,

Trustees for County Aid to Agriculture.

By P. A. Campbell, Clerk.

REPORT OF FINANCE COMMITTEE

The Finance Committee have tried to meet the emergency in the town's finances, as shown by the State Auditor's Report, by cutting appropriations to a point where, possibly, the indebtedness may be paid without an unbearable increase in the tax rate.

All departments will be cramped for funds this year, and, except in case of emergency will have to keep within their appropriations. All will start with a clean slate, and it is hoped that after this one bad year the tax rate can be lowered and appropriations can be more nearly adequate to the town's needs.

EXPENDITURES WITHOUT AVAILABLE ASSETS

Fractor Note		\$1,100.00
Four Town Hall Notes		1,000.00
Schools	· · · · · · · · · · · · · · · · · · ·	498.82

REPORT OF LIBRARY TRUSTEES

There are 4,805 books in the Library. 2,134 books and 480 magazines have been loaned during the year from the main Library.

The Library Club has supplied the Reading Room with periodicals.

The Library Club and the Town have shared equally in heating and lighting the building, in the Janitor's salary, and in sundry expenses. The Library Club has had a slate roof put on the building.

The Town has paid the salaries of the Librarians and the Library Club that of the Attendant of the Reading Room.

THE COMMONWEALTH OF MASSACHUSETTS DEPARTMENT OF CORPORATIONS AND TAXATION DIVISION OF ACCOUNTS

State House, Boston, December 14, 1927.

To the Board of Selectmen, Mr. Harry A. Root, Chairman, Granville, Massachusetts.

Gentlemen:

I submit herewith my report of an audit of the accounts of the town of Granville for the period from January 1, 1926 to September 19, 1927, made in accordance with the provisions of Chapter 44 of the General Laws. This report is in the form of a report made to me by Mr. Edward H. Fenton, Chief Accountant of this Division.

Very truly yours,

THEODORE N. WADDELL,
Director of Accounts.

Mr. Theodore N. Waddell, Director of Accounts,

Department of Corporations and Taxation, State House, Boston.

Sir:

As directed by you, I have made an audit of the books and accounts of the town of Granville for the period from January 1, 1926 to September 19, 1927, and submit the following report thereon:

The financial transactions of the town as recorded on the books of the several departments were checked and verified.

The books and accounts of the treasurer were examined and checked in detail. The recorded receipts were checked with the records of the several departments collecting money for the town and with the other sources from which money was paid into the town treasury. The payments were checked with the orders of the selectmen and of the school committee, while payments without orders were checked to the original bills.

The treasurer's cash book was incomplete, no payments having been entered in 1927. The cash book was written up during the period of the audit, and errors which were found in the work, and which are shown on the appended table showing a reconciliation of the treasurer's cash, were adjusted.

The cash on hand was verified by an actual count and the bank accounts were reconciled with statements furnished by the bank.

In connection with the approval of bills attention is called to Section 52, Chapter 41, General Laws, which reads as follows:

The auditor or officer having similar duties in cities, and the selectmen in towns, shall approve the payment of all bills or pay rolls of all departments before they are paid by the treasurer, and may disallow and refuse to approve for payment, in whole or in part, any claim as fraudulent, unlawful, or excessive; and in that case the auditor or officer having similar duties, or the selectmen, shall file with the city or town treasurer a written statement of the reasons for the refusal; and the treasurer shall not pay any claim or bill so disallowed

It was noted that the report of the previous audit made in 1922 was not published as required by the provisions of Section 40, Chapter 44, General Laws. It was found that a \$3,000 loan, issued in 1926 in anticipation of reimbursement by the State and County for highway work and due in November, 1926, was not paid until May, 1927.

Section 6, Chapter 44, General Laws, which authorizes loans of this nature, requires that the receipts for highway work from the State and County shall be applied to the discharge of the loan.

The appropriations voted by the town were listed from the town clerk's record of town meetings, and a comparison was made with the aggregate amounts chargeable against each appropriation. It was noted that there were several accounts overdrawn, contrary to the provisions of Section 31, Chapter 44, General Laws, which reads as follows:

No department of any city or town, except Boston, shall incur liability in excess of the appropriation made for the use of such department, except in cases of extreme emergency involving the health or safety of persons or property, and then only by a vote in a city of two thirds of the members of the city council, and in a town by a vote of two thirds of the selectmen.

Department officials have no authority to incur liabilities in excess of the amount appropriated for any purpose. While they may be of the opinion that the amount appropriated is not sufficient, the town has stated, in effect, that it does not desire service in excess of the amount appropriated.

Consideration of the provisions of Chapter 388 of the Acts of 1923, authorizing a town finance committee, is urged. A careful investigation of the amounts necessary to be expended is of great importance.

The accounts were analyzed and a balance sheet, showing the financial condition of the town on September 19, 1927, was prepared and is appended to this report. As may be seen from this balance sheet, there was a revenue deficit on the above date amounting to \$3.293.74. This deficit has been brought about by overdrafts of appropriations, previously referred to, and by the neglect of the assessors to include in the 1927 tax levy an amount of \$1,559.00 appropriated at a special meeting April 12, 1927. In this connection attention is called to Chapter 17, Acts of 1923, relative to the certification of appropriation orders by town clerks.

The amount of the deficit should be appropriated and raised in the

levy of 1928, in order that the town treasurer may be enabled to finance the activities of the town in accordance with-law.

The books and accounts of the tax collector were examined and checked in detail, the warrants for the commitment of taxes for the years 1924, 1925, 1926, and 1927 being reconciled. The payments to the treasurer were checked with the treasurer's books, the cash on hand was verified by an actual count, the abatements were checked with the assessors' record of abatements granted, and the outstanding accounts were listed and proved. The outstanding accounts were further verified by sending notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts as listed are correct.

The receipts of the town clerk were examined and checked. The records of dog licenses and of fishing and hunting licenses issued were checked with the receipts, and the payments to the state and county treasurers were verified. The cash on hand was verified by an actual count.

The surety bonds of the treasurer and collector were examined and found to be in proper form. The town clerk, however, is not bonded as required by Section 13, Chapter 41, General Laws.

In connection with the construction of a new town hall, the town appropriated \$5,000 in 1923, which was turned over to a building committee. The accounts of this committee were therefore examined and verified and a table showing the transactions of the committee is appended to this report.

The amount appropriated by the town for the free library is turned over to the treasurer of the private library corporation, and accordingly the accounts of the library treasurer were examined and verified, the transactions being shown in a table appended to this report.

The accounts receivable of the electric light department were examined and checked in detail. The payments to the treasurer were checked with the treasurer's record of receipts, the outstanding accounts were listed and proved, and the cash on hand was verified by an actual count. The outstanding accounts were further verified by sending notices to all persons whose names appeared on the books as owing money to the town, and from the replies received I am satisfied that the accounts are correct.

No electric light cash book is kept, and it is therefore recommended that the manager, as well as the town treasurer, keep such a record.

While engaged in making the audit I received the co-operation of all town officials, and on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

EDW. H. FENTON, Chief Accountant.

COMMONWEALTH OF MASSACHUSETTS HAMPDEN, SS.

To either of the Constables of Granville,

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of Granville, qualified to vote in town affairs, to meet at the town hall in Granville Center on Monday, the fourth day of February, then and there to act on the articles which follow. The polls will open at ten o'clock, a. m., and will close at three o'clock, p. m., unless the time of closing is extended by vote of the town.

- Art. 1. To bring in and deposit their ballots for one Moderator, one Town Clerk, one Town Treasurer, one Collector of Taxes, one Tree Warden, Two Constables, two Auditors, and three Citizen's Town Committee, each for one year; one Library Trustee for two years, one Assessor, one Selectman, one Library Trustee, one School Committee, and one Electric Light Commissioner, each for three years.
 - Art. 2. To choose all necessary Town Officers.
- Art. 3. To hear the annual report of the Selectmen, Assessors, Board of Public Welfare, Town Treasurer, Collector of Taxes, School Committee, and Electric Light Commissioner, and act thereon.
 - Art. 4. To see what sum the town will appropriate for Moderator.
- Art. 5. To see what sum the town will appropriate for Selectmen's Department.
- Art. 6. To see what sum the town will appropriate for Treasury Department.
- Art. 7. To see what sum the town will appropriate for Collector's Department.
- Art. 8. To see what sum the town will appropriate for Assessor's Department.
- Art. 9. To see what sum the town will appropriate for Town Clerk's Department.
- Art. 10. To see what sum the town will appropriate for Auditing Department.

- Art. 11. To see what sum the town will appropriate for Election and Registration.
 - Art. 12. To see what sum the town will appropriate for Town Hall.
 - Art. 13. To see what sum the town will appropriate for Law.
 - Art. 14. To see what sum the town will appropriate for Forest Fires.
- Art. 15. To see what sum the town will appropriate for Tree Warden.
- Art. 16. To see what sum the town will appropriate for Moth Extermination,
- Art. 17. To see what sum the town will appropriate for Inspection of Animals and Provisions.
- Art. 18. To see what sum the town will appropriate for Certifying Town Notes.
- Art. 19. To see what sum the town will appropriate for Health and Sanitation.
- Art. 20. To see what sum the town will appropriate for Memorial Day.
- Art. 21. To see what sum the town will appropriate for Insurance on Buildings.
- Art. 22. To see what sum the town will appropriate for Printing Town Reports.
 - Art. 23. To see what sum the town will appropriate for Town Forest.
 - Art. 24. To see what sum the town will appropriate for State Aid.
- Art. 25. To see what sum the town will appropriate for County Aid to Agriculture.
- Art. 26. To see what sum the town will appropriate for Public Welfare.
- Art. 27. To see what sum the town will appropriate for General Highway Purposes, under Chap. 81 of the General Laws.
- Art. 28. To see what sum the town will appropriate for Permanent Road Work, under Chap. 90 of the General Laws.
- Art. 29. To see what sum the town will appropriate for Winter Roads.
- Art. 30. To see what sum the town will appropriate for Bridges and Railings.

- Art. 31. To see what sum the town will appropriate for Educational Purposes.
- Art. 32. To see what sum the town will appropriate for Library Purposes.
- Art. 33. To see what sum the town will appropriate for Maintaining Law and Order.
- Art. 34. To see if the town will appropriate a sum sufficient to pay the interest on town notes for the ensuing year.
- Art. 35. To see if the town will appropriate \$250 to pay the Town Hall note, maturing in 1929.
- Art. 36. To see if the town will appropriate from the Truck and Tractor Account to pay the tractor note with interest, maturing in 1929.
 - Art. 37. To see if the town will appropriate \$500 for Street Lighting.
- Art. 38. To see if the town will appropriate \$600 from the Receipts of the Electric Light Department for Bond payment.
- Art. 39. To see if the town will appropriate \$486 from the receipts of the Electric Light Department for Interest payment.
- Art. 40. To see if the town will appropriate \$360 from the receipts of the Electric Light Department for depreciation.
- Art. 41. To see if the town will transfer from the Depreciation Account to the Construction Account.
- Art. 42. To see if the town will appropriate from the receipts of the Electric Light Department for Operating and Maintenance.
- Art. 43. To see if the town will vote to discontinue the road from North Lane road to Tice Hollow road, through property formerly owned by William Phelon.
- Art. 44. To see if the town will vote to discontinue the road commencing at the easterly line of the old Granville-Westfield road opposite the intersection of said road with the West Granville or Wild Cat Road, so-called; thence 2,950 feet through property formerly of Hollister and others southerly to the intersection with a road leading westerly to said old Granville-Westfield road; thence continuing southerly about 5900 feet passing through property formerly of Dexter Farnum and others to the Id mountain or Winchell road, so-called; thence westerly by said Id mountain or Winchell road about 5150 feet to the easterly line of said old Granville-Westfield road just southerly of the dwelling formerly of Peter Henrickson.

- Art. 45. To see if the town will vote to discontinue the road commencing at the easterly line of the old Granville-Westfield road nearly opposite the dwelling of Peter Olsen and running easterly about 1100 feet to junction of the road described in Art. 44.
- Art. 46. To see if the town will vote to authorize the Boards that have during the year 1928 appointed one of their members to another town office or position to continue this practice to May 1st, 1929, as authorized by Chapter 371 of the Acts of 1928.
- Art. 47. To see what action the town will take in regard to returning the old town hall to its owners.
- Art. 48. To see if the town will provide for extraordinary and unforseen expenditures by a sum not exceeding five per cent of the tax levy for the preceding year to be known as the Reserve Fund.
- Art. 49. To see if the town will raise such sums of money as may be necessary to defray the expenses of the town for the financial year ending December 31, 1929.
- Art. 50. To see if the town will authorize the Treasurer, with the approval of the Selectmen, to borrow, on and after January 1, 1930, in anticipation of the revenues of the financial year ending December 31, 1930.
- Art. 51. To transact any other business that may legally come before said meeting.

And you are directed to serve this warrant by posting attested copies thereof at each of the usual places in town for posting such notices, seven days at least before the time for holding said meeting.

Hereof fail not, and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hands this twenty-first day of January in the year of our Lord one thousand nine hundred twenty-nine.

HARRY A. ROOT,
DAVID F. KENNEY,
PORTER T. FRISBIE,
Selectmen of Granville.

REPORT OF THE TRUSTEES FOR COUNTY AID TO AGRICULTURE CO-OPERATING WITH THE HAMPDEN COUNTY IMPROVEMENT LEAGUE, 1928

To the Voters of Granville:

Granville makes a yearly appropriation to the Trustees for County Aid to Agriculture. The Hampden County Improvement League, as their agent, uses this money to help defray the cost of Extension Work in this town.

Three farm owners co-operated with the County Agricultural Agent in growing alfalfa, two in poultry management, and ten in orchard management and two in having the herd tuberculin tested. Other farm owners asked him for recommendations on apple storage, poultry, dairying, plant diseases and general crops. These meant many personal visits as well as letters, spray service cards and general information. The outstanding piece of agricultural work was the Granville Apple Show conducted by the orchardists and aided by the county agent.

The Home Bureau agents, assisted by fifteen local volunteer leaders. directed nine project groups in Granville, West Granville and Beech Hill. There was an enrollment on this work of 124. Thirty-seven meetings were held by the agents and leaders with a total attendance of 528. The agents were ably assisted by the Home Bureau town committees consisting of Mrs. William Hansen, Mrs. Charles Hansen, and Mrs. Frank Champlin for Granville; Mrs. C. H. Treat, Mrs. Ernest Ripley and Miss May Ripley, Beech Hill; Mrs. Porter Frisbie, Mrs. Richard York and Mrs. Stephen Roberts, West Granville.

There was an enrollment of sixty-four in the boys and girls 4-H club work. The club agents were ably assisted by the local leaders, Mrs. H. B. Dickinson, Mrs. Ruth Phelon, Mrs. Bernice Dickinson, Mrs. L. M. Gooding, Mrs. Curtis Hunt and Mrs. Carl Jensen. Club boys and girls won \$70 prize money at the Eastern States Exposition and as much more at other fairs. The baby beef animals from Beech Hill sold in

auction at the Exposition for \$1,440.00. The West Granville Fair is a community project that is fostering club work.

Mrs. H. B. Dickinson and Joseph B. Welch are town directors of the League. L. B. Dickinson is vice-president of the League.

We respectfully request that you appropriate \$150 to the Trustees for County Aid to Agriculture for the year 1929.

HERMON W. KING,
GEORGE S. COOK,

Trustees for County Aid to Agriculture, By: P. A. Campbell.

REPORT OF LIBRARY TRUSTEES

There are 4,825 books in the Library. 2,084 books and 591 magazines have been lent during the year.

The Library Club has supplied the Reading Room with periodicals.

The Library Club and the Town have shared equally in heating and lighting the building, in the janitor's salary and in sundry expenses.

The Library Club has had the interior walls painted, and the woodwork, floors and radiators refinished.

The Town has paid the salaries of the Librarian and one half the salary of the Janitor.

The Library Club plans to offer a story telling and recreational hour for children on Saturday afternoons, sometime during the year.

The Trustees have made the rule, observed by other libraries, namely: New books are to be lent for one week only until such books are three months old. Fines will be imposed after that week. No renewals on new books. This will enable a greater number of people to have access to the new books.

New books for children and adults will be placed in the Library the first of each month.

ALICE A. CHENEY, ROSWELL O. ROWLEY, JENNIE D. JOHNSON.

COMMONWEALTH OF MASSACHUSETTS HAMPDEN, SS

To either of the Constables of Granville, GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Granville in said County, qualified to vote in Town affairs, to meet at the Town Hall in Granville Center on Monday, the tenth day of February, then and there to act on the articles which follow.

The polls will open at ten o'clck A. M. and will close at three o'clock P. M. unless the time of closing is extended by vote of the town.

- Art. 1. To bring in and deposit their ballots for one Moderator, one Town Clerk, one Town Treasurer, one Collector of Taxes, one Tree Warden, two Constables, two Auditors and three Citizens Town Committee, each for one year, one Assessor, one Selectman, one Library Trustee, one School Committee, one Electric Light Commissioner, each for three years.
 - Art. 2. To choose all necessary Town Officers.
- Art. 3. To hear the annual report of the Selectmen, Assessors, Board of Public Welfare, Town Treasurer, Collector of Taxes, School Committee, Electric Light Commissioner, and act thereon.
- Act. 4. To see what sum the Town will appropriate for moderator.
- Art. 5. To see what sum the Town will appropriate for Selectmens' Department.
- Art. 6. To see what sum the Town will appropriate for Treasury Department.
- Art. 7. To see what sum the Town will appropriate for Collector's Department.
- Art. 8. To see what sum the Town will appropriate for Assessor's Department.
- Art. 9. To see what sum the Town will appropriate for the Town Clerk's Department.

- Art. 10. To see what sum the Town will appropriate for Auditing Department.
- Art. 11 To see what sum the Town will appropriate for Election and Registration.
- Art. 12. To see what sum the Town will appropriate for Town Hall.
 - Art. 13 To see what sum the Town will appropriate for Law.
- Art. 14. To see what sum the Town will appropriate for Forest Fires.
- Art. 15. To see what sum the Town will appropriate for Tree Warden.
- Art. 16. To see what sum the Town will appropriate for Moth Extermination.
- Art. 17. To see what sum the Town will appropriate for Inspection of Animals and Provisions.
- Art. 18. To see what sum the Town will appropriate for Certifying Town Notes.
- Art. 19. To see what sum the Town will appropriate for Health and Sanitation.
- Art. 20. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of taxes of the municipal year, beginning Jan. 1st 1930, and to issue a note or notes therefore, payable within one year. Any debtor debts incurred under this vote to be paid from taxes of said municipal year.
- Art. 21. To see what sum the Town will appropriate for Memorial Day.
- Art. 22. To see what sum the Town will appropriate for Insurance on Buildings.
- Art. 23. To see what sum the Town will appropriate for printing Town Reports.
- Art. 24. To see what sum the Town will appropriate for Town Forest.
- Art. 25. To see what sum the Town will appropriate for State Aid.
 - Art. 26. To see if the town will appropriate the sum of

\$200 to the TRUSTEES FOR COUNTY AID TO AGRICULTURE, to be expended for the agricultural and home economics extension service in this county and town, in accordance with the provisions of sections 40 to 45, chapter 128 of the General Laws of Massachusetts.

- Art. 27. To see what sum the Town will appropriate for Public Welfare.
- Art. 28. To see what sum the Town will appropriate for General Highway purposes under Chapter (81) of the General Laws.
- Art. 29. To see what sum the Town will appropriate for Permanent road work under Chapter (90) of the General Laws.
- Art. 30. To see what sum the Town will appropriate for Winter Roads.
- Art. 31. To see what sum the Town will appropriate for Bridges and Railings.
- Art. 32. To see what sum the Town will appropriate for Educational purposes.
- Art. 33. To see what sum the Town will appropriate for Library purposes.
- Art. 34. To see what sum the Town will appropriate for Maintaining Law and Order.
- Art. 35. To see if the Town will appropriate a sum sufficient to pay the interest on Town notes for the ensuing year.
- Art. 36. To see if the Town will appropriate from the Truck and Tractor Account to pay the Tractor note with interest maturing in 1930.
- Art. 37. To see if the Town will appropriate \$480.00 for Street Lighting.
- Art. 38. To see if the Town will provide for extraordinary and unforseen expenditures by a sum not exceeding five per cent of the tax levy for the preceeding year to be known as the Reserve Fund.
- Art. 39. To see if the town will authorize the Treasurer with the approval of the Selectmen, to borrow, on and after Jan. 1, 1931, in anticipation of the revenues of the financial year, ending December 31, 1931.
- Art. 40. To see if the Town will authorize the Selectmen to purchase two trucks from the Truck and Tractor account, if funds are available and such action seems necessary.

Art. 41. To see if the Town will vote to sell the North East School House.

Art. 42. To see if the Town will appropriate \$600.00 from the Receipts of the Electric Light Department for Bond payment.

Art. 43. To see if the Town will appropriate \$486.00 from the receipts of the Electric Light Department for Interest payment.

Art. 44. To see if the Town will appropriate \$360.00 from the receipts of the Electric Light Department for depreciation.

Art. 45. To see if the Town will transfer from the Depreciation Account to the Construction Account.

Art. 46. To see if the Town will appropriate \$250.00 to pay the Town Hall note maturing in 1930.

Art. 47. To see if the Town will appropriate from the receipts of Electric Light Department for Operating and Maintenance.

Art. 48. To see if the Town will vote to appropriate \$516.80 to pay expenditures without available assetts.

Art. 49. To see if the Town will vote to carry a Liabilty fund.

Art. 50. To see if the Town will vote to carry Liability Insurance

Art. 51. To see if the Town will vote to authorize the Selectmen to purchase a snow plow.

Art. 52. To see if the Town will appropriate a sum to repair the old Town Hall.

Art. 53. To see if the Town will appropriate a sum to improve the road side.

Art. 54. To see what sum the town will appropriate for Weights and Measures.

Art. 55. To see if the town will raise such sums of money as may be necessary to defray the expenses of the town for the financial year ending December 31, 1930.

Art. 56. To transact any other business that may legally come before said meeting.

And you are directed to serve this warrant by posting attested copies thereof at each of the usual places in town for posting such notices, seven days at least before the time for holding said meeting.

Hereof fail not, and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hands this Twentieth day of January in the year of our Lord one thousand, nine hundred thirty.

EDWARD A. JENSEN,
DAVID F. KENNEY,
PORTER T. FRISBIE,
Selectmen of Granville.

REPORT OF SCHOOL COMMITTEE

The present members of the school committee are:

Ruth F. Phelon, term expires in 1930. Alice M. Frisbie, term expires in 1931. William H. Sanderson, term expires in 1932.

The committee organized with Mr. Sanderson, Chairman, and Mrs.Phelon, Secretary. Meetings of the school committee are held the first Friday of each month, except when the first Friday falls on the first or second day of the month, in which case the meetings are on the second Friday. This makes possible the frequent consideration of school questions by the whole board, and the bringing of bills before the whole board for approval. The town treasurer has been requested to pay no bills against the school department, that have not been presented to the school committee for approval.

The financial report of the committee has been changed to accord with the form prescribed by the State Department for the returns submitted to the State, by the town superintendent of schools, and to furnish the town with information regarding the expenditure of the money appropriated for the support of the schools.

Under the distribution of cost and service of the superintendent of schools in this Superintendency Union, Granville pays thirty per cent of the cost and is entitled to one and a half days per week of the superintendent's services. It has been arranged that the superintendent is to be in Granville on Monday of each week. The advantage of knowing when it is possible to meet him is readily apparent. No feasible plan has as yet been devised for a time and place where parents and teachers can meet the superintendent outside of school hours.

The following communication was received from the State Department of Education the first of last May.

"According to our records, only one of the six teaching positions in Granville paid as high as \$1500—the others paying \$1220, \$1060, \$1020, and \$1000. The records also show that during the calendar year 1928, Granville employed eleven teachers to occupy six teaching positions. This indicates very clearly that the turnover of teachers is unusually large. Bearing in mind both of these considerations, one is forced to the conclusion that a substantially

larger investment in teaching service should be made to secure capable teachers in the first place and to retain them for a reasonable tenure.

It also seems evident that the length of the school year should be increased. I find that in 1928, the average length of the school year for the towns in Group IV was one hundred eighty days. The length of the school year in Granville was one hundred seventy days. Under these conditions it cannot be readily assumed that Granville is offering to its boys and girls, average or typical educational opportunities as found in the smaller towns of the Commonwealth. There appears to be, therefore, sufficient evidence to warrant your committee in making an improvement in both these directions."

Signed,
BURR F. JONES,
Supervisor of Elementary Education.

A school year of forty weeks—the amount of schooling provided by most progressive communities in the state—is desirable, but may not be feasible for Granville. The committee recommend for the coming year, a school year of thirty-eight weeks. The school budget for the year includes the added cost for local transportation, janitors' service, supplies, and teachers' wages, all estimated on the basis of the rates paid for a school year of thirty-six weeks.

Under Local Transportation, in the financial report is shown a list of the pupils for whom transportation is paid. Other pupils living along the routes, are carried without cost to the town, if there is room in the conveyance.

Attention is called to the detailed information of the superintendent's report.

ALICE M. FRISBIE, RUTH F. PHELON, WILLIAM H. SANDERSON, School Committee of Granville.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Committee of the Town of Granville:

I herewith submit my school report for the year ending Dec. 31, 1929.

ENROLLMENT

The enrollment of Granville Schools October 1, 1929 was ninety-eight Of this number ninety-four were resident children including State Wards. Four were non-residents. The total enrollment a year ago was ninety-seven.

The number attending high schools from this town this school year is twenty-five.

I would call your attention to an opinion of the Attorney General to the effect that Vocational Schools are not Public Schools as per Chapter 71, General Laws.

The Department of Education has been led thereby to make the following ruling: "Vocational charges should not be met by money specifically appropriated for the support of public schools, but from specific appropriations made for vocational purposes." The town should, therefore, provide this specific amount to cover possible needs for such vocational school tuition.

The ruling further states tho this may not be taken from the regular school appropriation, this special appropriation may properly be placed at the disposal of the School Committee for disbursement.

Tuition to Springfield Trade School is \$136 per year. One pupil has, to date, been approved for that school. There is a possibility that others may desire to attend during the coming year. Provision should be made for them in the town budget.

During the past year, the school work accomplished in the schools has been quite satisfactory. I wish here to make recognition of the efforts, the ability and the efficiency of the present teaching staff. We have two teachers who are with us for the first time this year, Miss Edna Crompton at Beech Hill, a graduate of North Adams Normal school, class of 1929, and Miss Charlotte

Menzel at Ore Hill, a graduate of Westfield Normal, class of 1929. Both these teachers are proving their worth. Their schools are in excellent condition and the quality of work is good. I wish to say that every teacher in Granville is the kind that is growing professionally. I feel that the town should offer every possible inducement for these teachers to remain for a series of years, thus securing the benefit of continued interest and growth.

The Stanford Achievement Tests were given again in all the schools last Spring. Achievements compared very well as a whole with the established forms for the several grades. Diagnosis of subject difficulties of individual pupils and remedial procedures should receive a greater amount of attention than they have received. The education and development of every child scholastically, normally and physically is the object for which schools are maintained. All children are not alike. Individual differences should be provided for when modification of the program might result in greater progreess.

Your Superintendent and your teachers are expected to be students of modern educational theory and practice. They should be given encouragement and assistance in bringing to the schools the best things within their reach.

In my report of last year. I tried to show that Granville is not in a position to expect low cost per child for education. Six teachers for ninety-eight pupils is a small number per teacher. Classes range in size from one to ten and the number of classes per teacher from two to seven. Enrollment is small, distances relatively great and transportation is necessary.

If we think of the value of education rather than the cost in comparison to costs elsewhere, we shall have a more hopeful view and more encouraging results will be obtained. Moreover, the State reimbursements amount to more than half the total school cost. See statement at the end of this report.

I would recommend a liberal expenditure for modern text books. A survey of textbook expenditure shows that \$58.27 was expended for new books and \$11.68 for replacement of worn copies. Fresh material is needed in reading and new texts in arithmetic should be considered at an early date.

Some valuable supplies were purchased such as Courtis Standard Practice Arithmetic Material, Silent Reading Projects and other arithmetic seat work.

We are glad to acknowledge the splendid sets of library reading: books presented to the schools of South Lane, Ore Hill and Beech. Hill by the Kiwanis Club of Springfield. The list of books was the same for each school and is as follows:

Arabian Knights
Aesops Fables
Treasure Island
Robinhood and His Adventures
Christmas Carol
The Animal World
Robinson Crusoe
Kidnapped
Black Beauty
The Water Babies
Anderson Fairy Tales
Red Feather
Rab and His Friends
Grimm's Fairy Tales

Cricket on the Hearth
Alice in Wonderland
Through the Looking Glass
Girls of Dickens
Boys of Dickens
Tanglewood Tales
Oliver Twist

Stories of a Christmas Tree

Such a list gives a variety of good reading for all the children. I hope these school libraries may be supplemented by town support.

I would advise that study and publicity be given to the cost and value of new school buildings for Granville and West Granville before spending much money on the present buildings.

A very determined effort has been made during the year to secure dental treatment for children of the town. Credit for this effort is due to the Parent-Teachers' Association. It has proved very difficult to secure a dentist who would come this distance. Effort is now directed toward taking children to a dentist by appointment. I cannot commend this movement too strongly. Children and parents are interested. I hope the coming year may see the successful conclusion of this work.

Toxin-antitoxin treatment was given all children whose parents requested it. This opportunity to protect children from diphtheria should be appreciated. The treatment is free, it is not painful and the protection marvelous. I trust every child may have this protection in the future.

Mr. C. H. Pratt,

Superintendent of Schools,

Dear Sir:-

In accordance with the usual custom I herewith submit my yearly report of the health work done in Granville in 1929.

During 1928 a special effort was made to rigidly enforce thevaccination requirement with the result that only ten children were vaccinated this fall. This, to my mind, spells progress.

Nutrition has been our main concern this fall. The underweight children, especially, have tried hard to gain in weight, and a very great many of them have. Because of this effort the number of children bringing milk to school for the noon time drink has increased remarkably. The morning coffee drinkers have likewise decreased. Much good effort has been put forth in the making of food posters, scrap-books, and in story writing. This increases the interest of the child and also carries that interest to the home.

During the spring a clinic for the immunization of the children against diptheria was held. The response was most excellent, and as a result a large percentage of your children are protected against a very dangerous disease.

Through the efforts of the Granville Parent-Teachers' Association dental work has been possible. This much needed work has been slow in coming to us, but perhaps we appreciate the value of it all the more. We are very grateful to the organization as a whole and especially to those members who conveyed the children to Springfield for work.

In conclusion I wish to thank the people of Granville, but especially the teachers for their kindness and help in my work.

Respectfully submitted,

ESTHER E. McCORMICK, R. N.

School Nurse.

REPORT OF THE TRUSTEES FOR COUNTY AID TO AGRICULTURE CO-OPERATING WITH THE HAMPDEN COUNTY IMPROVEMENT LEAGUE, 1929

To the Voters of Granville:-

Granville makes a yearly appropriation to the Trutees for County Aid to Agriculture, working through the Hampden County Improvement League. This money is all spent in behalf of Agricultural and Home Economics Extension work in this town. The service and assistance given is free to all home owners, to farm and urban alike, also to all boys and girls interested in any of the 4-H Club projects such as Gardening, Dairy, Poultry, Fruit, Flowers, Canning, Cooking, Pigs, Baby Beef and Bees.

Twelve farm owners cooperated with the Aricultural Agents and carried through recommended practices in the following projects: Topdressing pastures 1; growing alfalfa 4; sweet clover for pasture 1; constructing apple storage 1; poultry flock sanitation 1; improved pruning of peach trees 2; improved pruning of apple trees 8; fruit pest control 2; following definite spraying schedule 3; and special pollination by use of bees 2. Seventeen other farmers received personal service along similar lines. The agents arranged a meeting where special instruction on market grades and packing was given. They also cooperated in developing the apple show.

The Home Bureau agents had the cooperation and assistance of ten local women in the Home Economics program in making arrangements for meetings and as teacher leaders. Those aiding as teacher leaders received special instruction from the agents or State specialists of from one to four days according to the project. The projects taught were food selection, garment finishes and machine attachments. There was an enrollment of 130 which included 66 individual women. Thirty-three meetings were held with an attendance of 274.

The Club agents had the assistance of seven local leaders in supervising the clubs. There was a total enrollment of 73 in the club, 35 individual boys and girls were club members. The projects that the clubs carried were Baby Beef, Bee, Corn, Dairy, Fruit, Garden, Poultry, Clothing, Canning.

Mrs. H B. Dickinson and Mrs. Joseph Welch, Jr. are Directors for the League.

We respectfully request a continuation of the appropriation and the cooperation of the citizens of Granville for the year 1930.

By Otis E. Hall, Clerk.

REPORT OF LIBRARY TRUSTEES

There are 5202 books in the Library. Thirty-eight books have been received from the State. 2838 books and 565 magazines have been lent

The Library Club has supplied the Reading Room with periodicals.

The Library Club and town have shared equally in heating, lighting and in furnace repairs.

The Library Club has had all the furniture reconditioned and refinished.

The Library Club will continue the monthly exhibits of current events and famous pictures.

Several children have enrolled for the 1930 competition of notebooks on monthly exhibits. The prizes are to be awarded each month for all children participating and at the end of the year for the two best books.

New books for children and adults will be placed in the Library the first of each month.

The trustees have voted to increase the Librarian's salary from \$156 to \$250 a year

REPORT OF AUDITORS

We have this day examined the accounts of the town treasurer and find that they tally with the orders of the Selectmen and other vouchers and that balances exist as noted.

We find that monies have been paid without orders, contrary to statute law. We understand that the treasurer is personally responsible for monies so paid, therefore persons receiving such monies are imposing upon the treasurer's good nature. All orders require the approval of the Selectmen.

Two actions or remedies exist. First, that the auditors insist that the treasurer make no payments without order and refuse to verify books as correct if such payments are made. Second, that the Selectmen issue no orders covering such payments.

We recommend that the town accounts be closed on or before December 31st and that the Selectmen allow statute law to govern on all bills not rendered before such date as may be selected by them.

We are in hearty accord with the recommendations of the State Accountant and suggest that auditors carry out his sugges-

tions. We are very grateful to the Treasurer for his cooperation and commend the improvements he has made.

ELLIOTT F. BARNARD, HERMANN G. PATT.

REPORT OF FINANCE COMMITTEE

The following sums have been expended without appropriations. Payment will have to be provided for from this year's tax levy.

EXPENDITURES WITHOUT AVAILABLE ASSETS

Injuries to Highway employees	\$454.30
Removing Watering Trough	25.00
Putting Tablet on Soldiers' Memorial	37.50

\$516.80

\$ 20,915.56

A tax rate of \$29.00 on last year's valuation will provide for the appropriations recommended.

#### GRANVILLE CENTER WATER COMPANY

By Holland N. Stevensen,

Treasurer.

## Report of the Library Trustees

There are 5,391 books in the Library, 2,800 books and 490 magazines have been circulated. The Library has received thirty books from the State.

The Branch Library at West Granville under the supervision of Mrs. Frisbee has lent 233 books in the six months that it has been in her charge.

The Library Club has supplied the Reading Room with periodicals. The Town and Library Club have shared equally in heating, lighting, Janitor's salary, intsalling a new water system and sundry expenses.

The monthly exhibit of current events, pictures and the school work of the children have been continued throughout the year.

The Trustees have voted to increase Mrs. Frisbee's salary from \$25 to \$50. The Trustees urge everyone to visit, inspect and borrow books from the Library.

## Report of the Finance Committee

The town's valuation will be increased this year by, probably, the whole of the \$1,100,000.00 of the Cobble Mountain Dam project; at least, by part of that sum.

To pay for the items recommended by your committee will consequently call for a tax rate of not less than \$14.00 on a thousand and probably not more than \$22.00, according to the amount on which the assessors are able to Tay a tax.

#### BORROWING CAPACITY OF THE TOWN

Town's Valuation for the Last Three Years:

1928	\$708,155.00
1929	799,887.00
1930	786,972.00

\$2,295,014.00

# Annual Report from the Trustees for County Aid to Agriculture and the Hampden County Improvement League

FOR THE YEAR ENDING DECEMBER, 1930

The town of Granville annually appropriates \$200.00 to The Tru tees For County Aid to Agriculture for the purpose of further promoting locally the 4 H Club work, Home-making Projects with woman, and improved practices in Agriculture. The larger part of this appropriation is spent for extra services and for local leadership work in the town. In short, most of this money goes back to Granville people as reimbursements for expenses incurred by them as local leaders and helpers while assisting the county wide workers render better and larger services to the people of Granville.

Forty-two Boys and Girls were enrolled in 4 H Club work. Hermann Patt of this town won the County wide Championship honors in the Fruit Club Project. Two of the Baby Beef Club members from Beech Hill district captured prizes on their animals at the Eastern States Exposition and the new 4 H Forestry Club has been started in West Granville. The community Fair on the Hill last September, not only did credit to the Boys and Girls, but to the town as a whole, and the officers are entitled to special praise.

In the Agricultural Department fourteen farmers carried out special projects and practices recommended by the county agent. Twenty-three different farmers were visited by the agent in connection with some phase of their agricultural problems.

The Home Grounds Specialist visited six different homes and gave advise and help on lawns, landscape work and other problems pertaining to Home Grounds.

In the Home-making Department, 115 women were enrolled in the following projects: Canning, Child Feeding, Better Kitchens, Vegetable Preparation, and Clothing. Mrs. Leon Ripley, Mrs. Royden Cheney, and Mrs. Porter Frisbie acted as Chairmen in their respective sections.

The services of all these county wide workers are free to the town and its people. Something like 160 personal farm and home visits were made by the county workers in the town of Granville, during the year, aside from the numerous letters written, phone call and calls in the League office.

### Report of the School Committee

After the annual town meeting the school committee were:
Alice M. Frisbie, term expires in 1931.
William H. Sanderson, term expires in 1932.
Ruth F. Phelon, term expires in 1933.

The committee organized with Mr. Sanderson, Chairman, and Mrs. Frisbie, Secretary.

In January, Charles H. Pratt, who had served the town efficiently as superintendent of schools for nearly five years, resigned to accept a larger salary elsewhere. The joint committee selected as Mr. Pratt's successor, Millard C. Moore, a graduate of Colby University, with a record of several years of successful experience as a superintendent of schools in Massachusetts rural communities. Mr. Moore has entered into the work in Granville with a spirit which the committee consider highly commendable.

Mr. Moore is in Granville, Monday of each week, and can be met at the Grammar School room in the Gibbons Block at 3.30 p.m. on that day.

In June, ill health compelled Mrs. Phelon to resign from the board. At a joint meeting of the selectmen and the remaining members of the school committee, Mrs. R. W. Cheney was appointed to serve till the time of the annual town meeting, when it will be necessary to elect a successor to Mrs. Phelon, to serve for the remaining two years of her term of office.

It is but justice to say of Mrs. Phelon that she was a capable and efficient member of the school committee. She gave the town honest whole-hearted service, without regard to personal advantage, or personal prejudice. Fortunate indeed is the community whose officials display the intelligence and unselfishness which characterized Mrs. Phelon's concern for the welfare of Granville.

In September, the committee were enabled to secure the services of a skilled supervisor of singing for one day of each week, in union with Southwick. Miss Johnson visits our schools each Thursday.

We call attention to the report of the superintendent of schools

and to the reports of the special instructors which follow the financial report of the committee.

ALICE A. CHENEY,
ALICE M. FRISBIE,
WILLIAM H. SANDERSON,

School Committee of Granville.

# Report of Superintendent of Schools

To the Granville School Committee:

Herewith is submitted my first annual report, it being the twenty-eighth of such reports in this Union.

It used to be said that education is preparation for life. many years this was the motivating power for school progress. The new psychology, however, and recent trends in sociology make such a philosophy untenable. We now realize that education must be life. The child must do real things, act in the realm of reality and live his own life, if his education is to rise above mere schooling. Strangely enough, this shifting of viewpoint results in a most excellent preparation for adult life. If the child lives true to himself as a child, he will live better as a man, Every school system should be tested often by this criterion. If its offering is a mere preparation for some remote good, we may well be discouraged. If its daily activities are made up of real situations, vitalized by a throbbing interest therein, we may well rejoice. It is high time that we cease striving to standardize our schools and seek to vitalize them. In such schools arithmetic skills will not be neglected, but civic ideals will be regarded as of more importance; grammatical nicety will not be scorned, but helpful appreciations and attitudes will be equally emphasized; essential facts will be drilled upon until mastered, but the formation of habits of social co-operation will be given even greater attention.

The Stanford Achievement Tests given during the year show that the pupils of Granville are doing good work in most instances. These tests have enabled the teachers to find out the weak points in each pupil's work and thus give assistance where needed.

The year brought only one resgnation, that of Miss Rhoda Harper who left the South Lane School after two years of valuable service to go to Athol. She was succeeded by Miss Gladys Tilford who resigned after a short stay and was followed by Miss Elsie Haubenreiser, a graduate of Massachusett, Agricultural College in the Education Department. The school like the others is in excellent condition. In September a new departure was tried in securing a supervisor of music, Miss Helen M. Johnson, of Northampton has ably conducted this important work. Miss

Johnson was trained at the Boston University School of Music and has studied music in Europe. Another achievement of the year was a successful completion of a dental clinic for the village children. Efforts to secure equal advantages for the rural schools have so far failed which is unfortunate, as there is a great need for it. A Schick test last Spring revealed that there were some who needed further protection against diphtheria which was given. A ready compliance with the vaccination laws at the opening of school in September was gratifying. The State is desirous of taking the second step in the ten year program in chest clinics and Von Pirquet testing in the Spring. In a community so intelligent, it is unnecessary to advance any arguments in favor of these health measures for children. We should also note an increased interest in the reading sponsored by the State Library Division. Several are trying for certificates. This movement is aided, if not initiated, by the excellent children's service of the local library with liberal placement of books in every school and close co-operation with school work by displays, and organized library projects.

For the immediate future we would call attention to a real need for improved text-books, particularly in arithmetic and in reading and for a gradually acquired list of reference books for history and geography. For the not too remote future, we would call attention to the unsatisfactory condition of our school housing and the need for new buildings, one at the village and one in West Granville. It might be well to do some of the preliminary planning very soon, with, perhaps, some thought for the Junior High School grades, as well.

It is our purpose to explain as simply as may be some one phase of school finance each year. Perhaps the reimbursement from the Massachusetts School Fund, sometimes referred to as the Part II reimbursement, is least understood. This is designed as an equalization fund for schools in small towns and the smaller the town the greater the assistance. For instance Tolland gets proportionately more from it than Granville, while Southwick gets less in proportion, and Agawam gets nothing. Reimbursement is based on certain items of school expenditure, namely, the salary paid each teacher up to \$1100, amounts paid for transportation within the town, an allowance of \$250 per position unit for operating expenses such as fuel and books, and certain other items not applicable to Granville. The amounts received from Part I of

the general school fund and for state ward tuitions are deducted. If the resulting sum is more than a \$7.50 school tax on a thousand, then one-third of such sum is given the town as its share of the Massachusetts School Fund. To illustrate from 1929, teachers' salaries were reckoned as \$6420, allowance \$1500, and transportation \$1493.86. From which the \$900 Part I reimbursement, and the \$241.47 of state ward tuitions were deducted. The resulting sum \$8272.39 was greater than a \$7.50 local school tax rate would be and hence one-third of \$8272,39, or \$2757.46 was derived as our share of the Massachusetts School Fund. This was paid to the town on March 10, 1930. Another way of putting it is that on these items the town pays the first five dollars on a thousand, the state the next two and a half dollars on a thousand, and anything above that is shared two-thirds and one-third. It follows that a reduction in the school appropriation on these items usually operates to refuse some of the two dollars and a half offered by the state, but seldom gets down to any actual saving in the local tax rate.

This has been the tercentenary year of our Commonwealth. The Granville Schools took notice of it in the classroom work, and the Ore Hill School and South Lane School gave public exhibitions of fun and pageantry during the graduation season and at fair time. We ought to look forward to having some worthy part in the nation-wide tributes to Horace Mann when the time comes.

It is indeed a pleasure for a superintendent to begin work in a community that is so interested in its schools as is Granville and where the work had been brought to so high a degree of efficiency as Mr. Pratt and his predecessors had brought it. We wish to express appreciation for the co-operation of officials, teachers, Parent-Teachers' Association and citizens.

Respectfully submitted,

MILLARD C. MOORE

# ROLL OF HONOR

(Present Every Session Without Tardiness)
Faith Bettinger—Grammar School
Mildred Chapman—Ore Hill School

Mr. M. C. Moore, Superintendent,

Granville, Massachusetts.

My Dear Mr. Moore:

In accordance with the usual custom, I herewith submit my annual report for health work done in the Granville schools.

General health and hygiene lessons have been used throughout the year, with different phases stressed monthly. This part of the work is most ably carried on by the teachers.

Last June the children immunized for diphtheria, forty-six in all were given the Schick test. The reactors and a small group of new children were immunized this fall. This last group was of necessity small because the previous large group.

The annual physical examination required by law was given the children in September. On the whole there is a general decrease in the number of defects classified, follows:

Teeth	52
Tonsils and adenoids	16
Lungs	6
Other defects	10
Underweight	53

We anticipate a chest clinic in connection with the Ten Year Program as advocated by the State Department to come to us this spring. These clinics are of great value to all of us, but especially of value in checking out any suspicion of a tubercular trend in a growing child, for that is the time to obtain a cure.

While health work in the schools of Granville has not been spectacular this past year, it has been forging steadily ahead and much has been accomplished. A great deal of credit for this progress must be given to the splendid, helpful spirit of the teachers to whom I extend my gratitude.

Work in Granville is most enjoyable and I look forward to more accomplishment in our efforts to obtain a strong, healthy child population in Granville.

Respectfully submitted,

ESTHER E. McCORMICK, R. N.

School Nurse.

Mr. M. C. Moore, Superintendent,

Granville, Massachusetts.

Following is a report of the music situation in the Granville schools:

# Primary Room-Miss Verrill

The first four months of the school year have been devoted to rote songs, that is, songs learned by imitation; also so-called monotone songs to train the children to sing up to the desired pitch.

Beginning with the new year we introduce the scale and first steps in music reading, and by the end of the year we shall have mastered forty rote songs and shall be able to sing simple exercises from the board.

#### Intermediate Grades-Mrs. Gooding

These pupils are doing excellent work as they love music and are very eager to learn. So far, we have covered the first three years' work in note values and are progressing steadily. We are of course handicapped in having no books from which to read music, but we get along by reading notes and songs copied on the board. The monotones in this room are almost entirely eliminated.

# Grammar School-Miss Kearins

The technical work in this room is very good, but the books are only first year books and contain words and music which are rather childish for these pupils. We have tried to organize an harmonica band to arouse interest on the part of the pupils, and this band is coming along gradually. We have reviewed the first four years' work in this room and hope to improve a great deal by the end of the year.

#### South Lane-Miss Haubenreiser

These pupils are doing very good work in music and the discipline is very satisfactory. I divided the pupils in the rural schools in two classes and teach rote songs and the scale to the younger group, and more advanced work to the older group.

#### Ore Hill-Mrs. Clark

This school is doing fine work with the splendid co-operation of Mrs. Clark and they have covered a great deal of ground, although the tone quality in this school is not quite so good, owing to the changing voices among the older boys.

# Beech Hill-Miss Crompton

These pupils are progressing very rapidly and their enjoyment of music is very evident. By the end of the year we expect to have covered all the technical work required in the first eight grades.

Of course the ability to read notes in songs will not be up to standard in one year because that is accomplished only by having different books for each group; but they are all doing just as good work as it is possible to do in schools where there are several grades in one room.

I hope very shortly to introduce a simplified course in music appreciation with phonograph records, which will give the artistic side of music.

I shall be very happy to receive any visitors at any time.

Respectfully submitted,

HELEN M. JOHNSON,

Music Supervisor.

# ANNUAL REPORTS

of the

# Town of Granville

Massachusetts

THE TRYON PRESS SPRINGFIELD

For the Year Ending December 31, 1931

# COMMONWEALTH OF MASSACHUSETTS HAMPDEN, ss

To either of the Constables of Granville,

#### GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Granville in said County, qualified to vote in Town affairs, to meet at the Town Hall in Granville Center on Monday, the eighth day of February, then and there to act on the articles which follow.

The polls will open at ten o'clock A.M. and will close at three o'clock P.M. unless the time of closing is extended by vote of the town.

- Article 1. To bring in and deposit their ballots for one Moderator, one Town Clerk, one Town Treasurer, one Collector of Taxes, one Tree Warden, two Constables, two Auditors, and three Citizens Town Committee, each for one year, one Assessor, one Selectman, one Library Trustee, one School Committee, each for three years.
  - Article 2. To choose all necessary Town Officers.
- Article 3. To hear the annual report of the Selectmen, Assessors, Board of Public Welfare, Town Treasurer, Collector of Taxes, School Committee, Electric Light Commissioner, and act thereon.
- Article 4. To see what sum the Town will appropriate for Moderator.
- Article 5. To see what sum the Town will appropriate for Selectmens' Department.
- Article 6. To see what sum the Town will appropriate for Treasury Department.
- Article 7. To see what sum the Town will appropriate for Collector's Department.
- Article 8. To see what sum the Town will appropriate for Assessor's Department.
- Article 9. To see what sum the Town will appropriate for the Town Clerk's Department.

- Article 10. To see what sum the Town will appropriate for Auditing Department.
- Article 11. To see what sum the Town will appropriate for Election and Registration.
- Article 12. To see what sum the Town will appropriate for Town Hall.
- Article 13. To see what sum the Town will appropriate for Law.
- Article 14. To see what sum the Town will appropriate for Forest Fires.
- Article 15. To see what sum the Town will appropriate for Tree Warden.
- Article 16. To see what sum the Town will appropriate for Moth Extermination.
- Article 17. To see what sum the Town will appropriate for Inspection of Animals and Provisions.
- Article 18. To see what sum the Town will appropriate for Certifying Town Notes.
- Article 19. To see what sum the Town will appropriate for Health and Sanitation.
- Article 20. To see what sum the Town will appropriate for Weights and Measures.
- Article 21. To see what sum the Town will appropriate for Memorial Day.
- Article 22. To see what sum the Town will appropriate for Insurance on Buildings.
- Article 23. To see what sum the Town will appropriate for printing Town Reports.
- Article 24. To see what sum the Town will appropriate for State Aid.
- Article 25. To see if the Town will vote to raise and appropriate the sum of \$150 to be expended by the Trustees for County Aid to Agriculture of Hampden County in accordance with the provisions of the Laws of the Commonwealth.

Article 26. To see what sum the Town will appropriate for Public Welfare.

Article 27. To see what sum the Town will appropriate for General Highways purposes under Chapter (81) of the General Laws.

Article 28. To see what sum the Town will approprite for Permanent Road Work under Chapter (90) of the General Laws.

Article 29. To see what sum the Town will appropriate for Winter Roads.

Article 30. To see what sum the Town will appropriate for Bridges and Railings.

Article 31. To see what sum the Town will appropriate for Educational Purposes.

Article 32. To see what sum the Town will appropriate for Library Purposes.

Article 33. To see what sum the Town will appropriate for Maintaining Law and Order.

Article 34. To see if the Town will appropriate a sum sufficient to pay the interest on Town notes for the ensuing year.

Article 35. To see if the Town will appropriate \$540 for Street Lighting.

Article 36. To see if the Town will provide for extraordinary and unforeseen expenditures by a sum not exceeding five per cent. of the tax levy for the preceding year to be known as the Reserve Fund.

Article 37. To see if the Town will authorize the Treasurer with the approval of the Selectmen, to borrow, on and after January 1, 1933, in anticipation of the revenues of the financial year, ending December 31, 1933.

Article 38. To see if the Town will authorize the Selectmen to purchase two trucks from the Truck and Tractor account, if funds are available and such action seems necessary.

Article 39. To see what sum the Town will appropriate for a permanent Bridge.

Article 40. To see if the Town will appropriate \$250 to pay the Town Hall note maturing in 1932.

- Article 41. To see if the Town will vote to add to Insurance Fund.
- Article 42. To see if the Town will appropriate \$250 for the Snow Plow note maturing in 1932.
- Article 43. To see what sum the Town will appropriate for Vocational Education.
- Article 44. To see if the Town will appropriate a sum to improve the Road Side.
- Article 45. To see what sum the Town will appropriate for the Liability Fund.
- Article 46. To see if the Town will vote to appropriate \$2,000 to be used with state allotment for maintenance on resurfaced Main Roads.
- Article 47. To see if the Town will vote to buy a new Tractor and appropriate money for same.
- Article 48. To see if the Town will appropriate \$2,000 for rebuilding and resurfacing Granby Road.
- Article 49. To see if the Town will vote to establish a Road Machinery Account, to which shall be credited all receipts received for the use or rental of road machinery, the proceeds to be appropriated as voted by the Town for road machinery purposes, or take any action in relation thereto.
- Article 50. To see if the Town will vote to appropriate \$500 to establish a Road Machinery Fund for the purpose of purchasing, repairing, and operating road machinery.
- Article 51. To see what action the Town will take to dispose of Catipillar Tractor.
- Article 52. To see if the Town will vote to purchase a Mixer for Tar materials and a Tar Heater.
- Article 53. To see if the Town will raise such sums of money as may be necessary to defray the expenses of the Town for the financial year ending December 31, 1932.
- Article 54. To hear the report of the Committee on New School Building and take any action relative thereto.
  - Article 55. To choose Committees.

Article 56. To see if the Town will appropriate \$4,000 from the Electric Light School Fund to purchase the Pendleton Lot for school purposes.

Article 57. To transact any other business that may legally come before said meeting.

And you are directed to serve this warrant by posting attested copies thereof at each of the usual places in town for posting such notices, seven days at least before the time for holding said meeting.

Hereof fail not, and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hands this Nineteenth day of January in the year of our Lord one thousand nine hundred and thirty-two.

EDWARD A JENSEN, DAVID F. KENNEY, PORTER T. FRISBIE, Selectmen of Granville.

# **Report of School Committee**

The present members of the School Committee are: William H. Sanderson, term expires in 1932. Alice A. Cheney, term expires in 1933 Alice M. Frisbie, term expires in 1934

The Committee organized with Mr. Sanderson, chairman, and Mrs. Frisbie, secretary.

The practice of holding monthly meetings of the Committee has been continued throughout the year.

In 1921, six Granville pupils are recorded as attending high school. During the past ten years the town's interest in education beyond the common schools has apparently increased steadily, till in 1930 we sent thirty-three to high school and two to vocational school—a total of thirty-five. Last year, 1931, we paid tuition and transportation for thirty-seven in high school and eight in vocational school—forty-five in all.

Attention is called to the report of the superintendent of schools and the reports of the music supervisor and school nurse, incorporated with this report.

ALICE A. CHENEY,
ALICE M. FRISBIE,
WILLIAM H. SANDERSON,
School Committee of Granville.

# Report of the Superintendent of Schools

To the Granville School Committee:

Herewith is submitted my second annual report, the twenty-ninth of such reports in this union.

As an aftermath of the World War and, in a larger sense, as a result of the ending of the pioneer stage in the Americas, we are in the midst of world-wide social and economic readjustment. For Europe it has been a painful process. We have escaped until recently, and we shall never feel its full effect because of our immense wealth and varied industries. By over-production in the New World and lessened ability to buy in the Old, the law of supply and demand has been disturbed, and conditions will not right themselves until it has been restored to complete operation. The sensible remedy is to do normal things in a normal way. If every person, firm, and city would do the things that they would do if there were no depression, there would be no depression. Building public works in excess of normal, reducing wages, violent retrenchment, and frantic legislation are all sure and guaranteed methods for prolonging our troubles. Thinking people are now beginning to see the value of education as the fundamental basis for economic stability. Ignorant people have few wants, and the greater the spread of education, the greater the economic demand for commercial goods. For instance, suppose the tribes of Africa could be brought at once to a high degree of education by some magic, their increased demands would absorb the surplus commodities of the world and restore normal economic conditions. This illustration shows that education is fundamental to business. A further illustration is found in the fact that if the 48 states are listed in order of their per capita expenditures for schools and another list of states made in the order of their per capita public wealth, the two lists will coincide almost exactly. The most vital error the American people can make at the present time is to retrench in their usual school investments.

The system of savings by the school children, begun in October, shows a bank deposit of \$75.45 at the close of the year.

The schools of Granville have gone steadily on during the past year. There have been no changes in personnel except the resignation of Miss McCormick, the school nurse, and the appoint-

ment of Miss Margaret Croken as her successor. There have been no spectacular events. Three young people, Hermann Patt, Lillian Vecchio, and Edna Ripley graduated with honors from Westfield High School, and Erwin Fox secured honors from the Springfield Technical High School; thus bringing credit to the town.

We are coming to grips with our biggest school problem, that of proper housing for our pupils. There is need both at Granville and at West Granville, with the need more immediate and acute at Granville. There is probably no citizen in the whole town who does not deeply deplore the inconvenient and potentially dangerous situation of the sixth, seventh, and eighth grades at Granville Corners. An important step forward was taken at the last annual town meeting in the appointment of a building committee who have been at work during the year. This Committee consists of Ralph Hiers, Jr., Milton Hansen, Ralph Roberts, M. C. Moore, and the School Committee. Mr. Hiers is chairman and Mrs. Frisbie, secretary. This building committee wisely decided to choose a site first. After careful consideration, they recommended the Noble lot which the town accepted and later rejected. It is only natural that there should be differing opinions about a site for the new building. Most other towns have found this their source of greatest delay. When once settled, the building has come along rapidly. Personally, I should favor any lot that has a dry soil, is reasonably central and has ample playground space. The building committee has given little consideration to building plans. There has, however, been some discussion among our citizens, particularly as to cost. Some guesses have been entirely inadequate and others far too large. When we come to it, we shall find that an adequate building can be erected at reasonable cost. Both in the choice of site and in the erection of the building, we should bear in mind that what we do will last for a good many years. We should not hamper our schools by poor facilities, nor should we lose sight of the fact that a town is judged largely by its public buildings. Strangers now are inpressed by the simple dignity of the church and the attractiveness of the library. The new school should add to the impression that here is a fine New England village of the best type.

It is our purpose each year to discuss some one phase of the school reimbursements from the state. Last year we explained the Part II reimbursement from the Massachusetts School Fund. This year it may be helpful to discuss the Part I reimbursement, sometimes called the General School Fund. Fundamentally this is not an equalization fund. It is a participation of the state in school costs in every town and city of the state. Boston received

from it last year the sum of \$863,766.60 and Springfield received \$191,005.18. Granville received \$1,200. Every town received something. The state finances the five and a half millions which it costs from the income tax. The unit of reimbursement is the teacher. Every teacher in the state brings to her town a reimbursement of \$100 at least. If the town pays a sufficiently large salary and employs a teacher of greater experience or training or both, this will increase to \$150 and then with greater training and experience to \$200. The reimbursement therefore is exactly twice as great for a good teacher as for a poor one. \$150 is given for a Normal graduate with one year of experience who receives at least \$850 salary. \$200 is paid for a Normal graduate with two years of experience who receives at least \$950 salary. Equivalent training and experience are accepted. There is an equalization feature. If a town has a large school enrollment relatively to its valuation, additional sums are allowed according to a carefully worked out schedule. In 1930, Granville received \$300 in this way and in 1931, \$620. This was due to the increased enrollment of the so-called camp children at Beech Hill. It is doubtful if Granville ever received any of this supplementary money before, and it is nearly certain that the increased town valuation will preclude ever receiving any again. The regular amounts however for the employment of teachers will continue in the manner outlined above.

Again, it is a personal pleasure to express appreciation for the co-operation that all have shown in the work of the schools during the past year. We confidently look forward to the future, believing that the new building will do much to improve the efficiency of the schools.

Respectfully yours,

M. C. MOORE.

Southwick, Mass. January 7, 1932.

Roll of Honor for Perfect Attendance During School Year: No one.

Mr. M. C. Moore, Superintendent,

Granville, Mass.

My dear Mr. Moore:

Following is a report of the music situation in Granville at the present time:

### PRIMARY GRADES I TO III

The work in these grades includes rote songs, first steps in note-reading, easy songs from the book, monotone songs, technical work on the blackboard, with a great deal of individual work. The rhythm band with the first and second grades is a new feature and is working out very satisfactorily. The money for this band was donated by the Parent-Teachers' Association.

### GRADES IV TO VI INTERMEDIATE

The work in this group includes chromatics, compound time, two-part music and more difficult note-reading. These grades are showing a steady improvement.

### GRAMMAR GRADES VII AND VIII

This work includes two and three-part music, difficult note-reading, reading at sight and advanced technical work on the blackboard.

I might also add that I have introduced a course in Music Appreciation in all grades from I to VIII, dealing with the different musical instruments, composers, rhythms, and cultural effects in music.

There has been a great improvement in note-reading and tone quality in the schools of Granville, and I feel confident that their work will very soon be up to the standard of the music in city schools.

Respectfully submitted,

HELEN M. JOHNSON, Music Supervisor.

### Report of Library Trustees

There are 5,525 books in our library of which 3,433 were circulated this past year. A splendid percentage!

The branch library at West Granville, under the supervision of Mrs. Frisbee, has lent 651 books.

The Library Club has supplied the reading room with magazines. The Library Club has installed a new septic tank. The town and library have shared equally in heating, lighting, janitor's salary, sundry expenses, and in installing a new heating system.

The monthly exhibit of current events, pictures and the school work of the children have been shown. Four girls entered the Library Note-Book Contest. Dorothea Tryon received first prize on the excellence of her book.

The recreation room is used weekly by the newly organized Girl Scout troop.

Every one is invited to inspect their bulletin board and so keep in touch with their activities.

Eighteen children won the State Book Certificate for worthwhile outside reading.

A splendid children's library is being built so that our children may have access to the books recommended by the state for outside reading.

The trustees urge all to use the library facilities even more than they are now doing.

Respectfully submitted,

ALICE A. CHENEY, *Chairman*, ROSWELL O. ROWLEY, JENNIE J. WHITE.

In addition to the expenditures listed above, this Company has, during the year 1931, charged to operations depreciation of \$146.05 on its fixed assets.

Respectfully submitted,
GRANVILLE CENTER WATER COMPANY,
HOLLAND N. STEVENSON, Treasurer.

# Report of Trustees for County Aid to Agriculture

FOR THE YEAR ENDING DECEMBER 31, 1931

Town of Granville:

The Town of Granville appropriated to the Trustees for County Aid to Agriculture the sum of \$150 for the purpose of strengthening locally the 4-H Club work with boys and girls and the Home Bureau work with women. In short, this money goes to Granville people as reimbursement for expenses incurred by them as local leaders and follow-up helpers to the County Agents. These local people not only render valuable assistance themselves but also enable the County workers to serve more people in the Town and do better work.

Seventy-three (73) boys and girls of Granville did 4-H Club work this year. The 4-H Agents had the assistance of six local people in carrying on this work which included the following projects: Bee, corn, forestry, fruit, garden, pig, poultry, clothing, and canning. Every community and section of the Town was reached. Edna Ripley of Beech Hill won the County Championship honors in the Baby Beef Project; and she was also one of the County winners in the school dress contest. Three boys, under the leadership of B. H. Dickinson, won County honors in the fruit judging contest. David Brooks of West Granville won the County honors in the Bee Club Project. A Forestry Club in the West Granville School did some fine work. The Canning Club girls preserved five hundred and twenty (520) jars of fruit and vegetables in their club work.

In connection with the Home Bureau work, eighteen women were enrolled in the Fabric Rejuvenation Project, seven in Vegetable Preparation, forty-nine in Better Kitchens, six in the State Better Homes Contest, and thirty in the Home Furnishing Project. A total of twelve leaders assisted the County Home Demonstration Agents with this work. Twenty-seven meetings for the women were held in the Town during the year with a total attendance of two hundred and fifty (250). Three of the women in the Better Kitchen Contest won prizes and four of those in the State Better Homes Contest. Professor Gunness from the Massachusetts State College assisted three families in lighting and water supply problems and gave help at one of the meetings on electrical equipment. Those winning prizes in the County Contest were: Mrs. Herbert Hiers, Mrs. Hamlin Tripp, and Mrs.

Ralph Roberts, and the same three with Mrs. R. W. Cheney received awards in the State Better Homes Contest.

Fifty-one (51) citizens of the Town have co-operated in one or more of the Agriculture Projects conducted by the County Agents. There has been a considerable increase in alfalfa acreage and amount of pasture improvement this past year. Results secured by co-operators in the orchard projects were not as satisfactory as those of several years past because of abnormal conditions which made pest control more difficult.

In the Home Grounds Department, four different citizens were given plans and specifications as to Home Grounds plainting. Assistance was given a large number of other people with their lawn and shrubbery problems.

OTIS E. HILL, Managing Director and Clerk.

## Report of the Finance Committee

The attention of the voters is called to the following communication.

"The Town cannot legally act on any matter unless the subject matter to be acted upon is clearly indicated by an article in the warrant calling the town meeting. This is covered in Section 10, Chapter 39, General Laws."

Signed, EDWARD H. FENTON,
Acting Director of Accounts.

If the Town's valuation remains the same as last year, to pay for the items recommended by your committee will call for a tax rate of \$16.50 on a thousand.

To either of the Constables of Granville,

### GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Granville in the said County, qualified to vote in Town affairs, to meet at the Town Hall in Granville Center on Monday, the 27th day of February, then and there to act on the articles which follow.

The polls will open at ten o'clock A.M. and will close at three o'clock P.M. unless the time of closing is extended by vote of the town.

- Article 1. To bring in and deposit their ballots for one Moderator, one Town Clerk, one Town Treasurer, one Collector of Taxes, one Tree Warden, two Constables, two Auditors, and three Citizens' Town Committee, each for one year, one Assessor, one Library Trustee, one School Committee, each for three years, one Selectman, for one year.
  - Article 2. To choose all necessary Town Officers.
- Article 3. To hear the annual report of the Selectmen, Assessors, Board of Public Welfare, Town Treasurer, Collector of Taxes, School Committee, and act thereon.
- Article 4. To see what sum the Town will appropriate for Moderator.
- Article 5. To see what sum the Town will appropriate for Selectmen's Department.
- Article 6. To see what sum the Town will appropriate for Treasury Department.
- Article 7. To see what sum the Town will appropriate for Collector's Department.
- Article 8. To see what sum the Town will appropriate for Assessors' Department.
- Article 9. To see what sum the Town will appropriate for the Town Clerk's Department.

- Article 10. To see what sum the Town will appropriate for Auditing Department.
- Article 11. To see what sum the Town will appropriate for Election and Registration.
- Article 12. To see what sum the Town will appropriate for Town Hall.
  - Article 13. To see what sum the Town will appropriate for Law.
- Article 14. To see what sum the Town will appropriate for Forest Fires.
- Article 15. To see what sum the Town will appropriate for Tree Warden.
- Article 16. To see what sum the Town will appropriate for Moth Extermination,
- Article 17. To see what sum the Town will appropriate for Inspec-
- Article 18. To see what sum the Town will appropriate for Certifying Town Notes.
- Article 19. To see what sum the Town will appropriate for Health and Sanitation.
- Article 20. To see what sum the Town will appropriate for Weights and Measures.
- Article 21. To see what sum the Town will appropriate for Memorial Day.
- Article 22. To see what sum the Town will appropriate for Insurance on Buildings.
- Article 23. To see what sum the Town will appropriate for printing Town Reports.
- Article 24. To see if the Town will vote to appropriate the sum of \$100 to be extended by the Trustees for County Aid to Agriculture of Hampden County in accordance with the provisions of the Laws of the Commonwealth.

- Article 25. To see what sum the Town will appropriate for Public Welfare.
- Article 26. To see what sum the Town will appropriate for General Highways purposes under Chapter (81) of the General Laws.
- Article 27. To see what sum the Town will appropriate for Permanent Road Work under Chapter (90) of the General Laws.
- Article 28. To see what sum the Town will appropriate for Winter Roads.
- Article 29. To see what sum the Town will appropriate for Bridges and Railings.
- Article 30. To see what sum the Town will appropriate for Educational Purposes.
- Article 31. To see what sum the Town will appropriate for Library Purposes.
- Article 32. To see what sum the Town will appropriate for Maintaining Law and Order.
- Article 33. To see if the Town will appropriate a sum sufficient to pay the interest on Town notes for the ensuing year.
- Article 34. To see if the Town will appropriate \$540 for Street Lighting.
- Article 35. To see if the Town will provide for extraordinary and unforeseen expenditures by a sum not exceeding five per cent. of the tax levy for the preceding year to be known as the Reserve Fund.
- Article 36. To see if the Town will authorize the Treasurer with the approval of the Selectmen, to borrow, on and after January 1, 1934, in anticipation of the revenues of the financial year ending December 31, 1934.
  - Article 37. To see if the Town will vote to add to Insurance Fund.
- Article 38. To see if the Town will appropriate \$250 for the Snow Plow note maturing in 1933.

- Article 39. To see what sum the Town will appropriate for Vocational Education.
- Article 40. To see if the Town will appropriate a sum to improve the Road Side.
- Article 41. To see what sum the Town will appropriate for the Liability Fund.
- Article 42. To see if the Town will raise such sums of money as may be necessary to defray the expenses of the Town for the financial year ending December 31, 1933.
- Article 43. To see if the Town will vote that all labor for the Highways during 1933 be paid at the following rate:

Ordinary Labor 35 cents per hour Truck Drivers 35 cents per hour Supervisors 50 cents per hour Trucks with driver included, \$1.25 per hour. Two-horse team with driver, 70 cents per hour.

- Article 44. To see if the Town will vote that no Selectman be allowed to use his own truck on the roads.
- Article 45. To see if the Town will instruct the School Committee to reduce the salaries of all the school teachers 10%, at least, from what they received in 1932.
- Article 46. To see if the Town will vote to instruct the Supervisors to hire for work on the Highways only citizens of the Town.
- Article 47. To see what action the Town will take regarding the appointment of a Town Director for a term of three years in accordance with the General Laws of Massachusetts of 1921, Chapter 128, Section 41.
- Article 48. To see if the Town will vote to sell the Town Gravel Bank on Water Street for the sum of \$25.00.
- Article 49. To see if the Town will vote to appropriate \$3,000 to establish a Road Machinery Fund for the purpose of purchasing, repairing, and operating road machinery.

- Article 50. To see if the Town will appropriate \$5.62 to pay for expenditures without available assets.
- Article 51. To see if the Town will rescind the vote to establish a School Building Fund of the money received from the sale of the Municipal Electric Light Plant and from the Electric Light Department.
- Article 52. To see what use the Town will make of the money named in the above article, number 51.
- Article 53. To see what use the Town will make of the \$2,500 reimbursed the Town for the payment of Town Hall notes.
- Article 54. To see if the Town will appropriate \$3,000 from the Surplus Revenue and add the same to the School House Fund.
- Article 55. To see if the Town will rescind the vote to instruct the Selectmen to buy the Pendleton lot and for that purpose the sum of \$2,500 be appropriated.
- Article 56. To see if the Town will direct the Selectmen to buy the Pendleton lot as a school site.
- Article 57. To see if the Town will appropriate \$2,500 from the School House Fund to pay for the Pendleton lot as a site for the new school building for Granville village.
- Article 58. To hear the report of the Committee on New School Building and take any action relative thereto.
  - Article 59. To choose Committees.
- Article 60. To see if the Town will vote to erect a School Building, to be erected on the Pendleton lot under the direction of the School Building Committee, and appropriate for this purpose the sum of \$24,000 plus the School Building Fund now available, and take any action relating thereto.
- Article 61. To determine how the Town will provide the money necessary for the erection of the new School Building.

And you are directed to serve this warrant by posting attested copies thereof at each of the usual places in Town for posting such notices, seven days at least before the time for holding said meeting.

Hereof fail not, and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hands this eleventh day of February in the year of our Lord one thousand nine hundred and thirty-three.

DAVID F. KENNEY, PORTER T. FRISBIE, CHARLES E. BARNES. Selectmen of Granville.

### **FOREWORD**

Acting upon the advice of the State Auditors we have made some changes in this report which differ somewhat from those of previous years.

You will note under the various highway projects that the former practice of listing each employee's name and the amount of wages received has been discontinued and the word Payroll—Wages substituted instead. This, of course, means the total labor cost of that particular job. The hired trucks, town trucks, tractor, etc., are listed likewise.

The payrolls, material sheets, etc., are made in duplicate form and a copy is on file at the Selectmen's Office where they are available to any one interested in same.

Board of Selectmen,

DAVID F. KENNEY, PORTER T. FRISBIE, CHARLES E. BARNES.

Insurance Fund	250.00
Snow Plow Note	250.00
Vocational School	2,400.00
Improvement of Road Side	100.00
Liability Fund	250.00
Resurfacing Main Road	2,000.00

Voted to buy new tractor and to raise and appropriate the sum of \$534.00 for the same and to issue five notes of \$500.00 for the balance, one payable in 1933, '34, '35, '36, and '37.

Voted to establish a Road Machine Account to which shall be credited all receipts for rental or use of road machinery and the proceeds to be appropriated as voted by the Town for road machine purposes.

Voted to sell old tractor and turn proceeds into Road Machine Account.

Report of Committee on School Site accepted and a vote of thanks accorded them for their labor.

Voted that the Selectmen be authorized to buy truck if funds are available and such action seems necessary.

. Voted that the Treasurer, with the approval of the Selectmen, be authorized to borrow money on and after January 1, 1933, in anticipation of the revenues of the financial year of 1933 and to issue a note or notes therefor payable within one year, any debt or debts incurred under this vote to be paid from the revenue of said financial year.

Voted.—Vote by ballot on the question of buying the Pendleton lot for a school site at a price of \$14,000.00: Yes, 78; no, 93.

Voted to raise money for Town Expenses.

Finance Committee appointed by Moderator:

William H. Sanderson William F. Reeves Roswell O. Rowley Edward A. Jensen Howard B. Dickinson

> S. B. ROOT, Town Clerk,

### SPECIAL MEETING MARCH 25, 1932

Voted unanimously to appropriate the sum of \$3,475.00 to meet the requirements of the state under Chapter 81 of the General Laws.

### SPECIAL MEETING MAY 3, 1932

Voted that we request the City of Springfield to build the Phelon Road, so called. Yes, 12; no, 14.

Eight-thirty o'clock having arrived and there being no action taken to extend the time for keeping them open longer, adjournment was taken.

### SPECIAL MEETING DECEMBER 12, 1932

Article 1. Voted to appropriate the sum of \$1,500.00 from unappropriated funds for Highway purposes.

Article 2. Voted to rescind the vote of the Town whereby

we elect Selectmen for a term of three years and return to the old system whereby we elect three each year for a term of one year.

S. B. ROOT, Town Clerk.

## Report of School Committee

To the Citizens of Granville:

The School Committee organized with Mr. W. C. Prewitt as chairman and Mrs. Alice M. Frisbie as secretary.

The greatest problem the Committee has had to face this year has been transportation, both local and high school. It has been necessary to hold, not only the regular monthly meetings continued the Committee, but also several special meetings to consider this matter.

After much careful study, it was decided to change the bus route, giving more service with the bus with less expense. Because of the co-operation of the parents and teachers, the plaseems to be working out satisfactorily.

The following is a list of pupils attending vocational schools during the year:

Westfield Agricultural

Ralph Cooley Russell Cooley Steven Welch James Matthews

Westfield Trade

Raymond Beckwith

Charles Hodge

Springfield Trade

Archie Jensen Thorliev Petersen Robert Christiansen Fred Quagliaroli Laurence Newell Trygye Petersen

The following attended high school:

Westfield High

Eleanor Barnes
Morton Barnes
Marjory Barnes
Harold Bettinger
Bessie Brooks
Emily Boehm
Mildred Chapman
Wallace Chapman
Olga Hansen

Olga Nestrovitch
Eda Quagliaroli
Louise Reeves
Anne Richards
Edward Richard
Celia Lees
Helen Ripley
Alice Sheets
Helen Sierastki

Wilhelmina Hansen June Hodge Christian Jensen James Matthews Phyllis Matthews

Springfield High Helen Fox

Watervliet, N. Y. Charles Farnham

Virginia Vecchio Leona Aldrich Henry Wackerbarth Frederic Wackerbarth Faith Bettinger

Erwin Fox

Roberta Farnham

Of this number of high school pupils, three finished in June and seven entered in the fall. This coming year, six will finish in June and we have fifteen who are going to enter high school in the fall. The increases we have made in our budget have been necessary because of this increased high school membership.

During the past year, the School Committee has tried to be as economical as possible without sacrificing our local schools and, as a result, have a balance to turn back into the treasury.

W. C. PREWITT, ALICE A. CHENEY, ALICE M. FRISBIE.

# Report of the Superintendent of Schools

To the School Committee of Granville:

Herewith is submitted my third annual report, it being the thirtieth of such reports in this school union.

As a people, we are just beginning to realize that the country is not passing through a depression, but we are emerging from one era of history into another through major changes that are little short of revolutionary. For the first time, we are able to see some of the larger meanings involved in the gigantic forces that were unloosed in the World War; but it goes deeper than that. For three hundred years we have been conquering a new continent, felling its virgin forests, digging into newly discovered mines, harnessing its water power, and developing its agricultural resources. We have displaced log cabins with frame dwellings, and, in turn, have torn them down to erect modern homes with every conceivable comfort. We have made villages into towns, towns into cities, and cities into turbulent metropolitan centers. We have discarded covered warons for carriages, carriages for automobiles; canals for railroads, and railroads for airplanes. Whenever our gigantic enterprises have led into economic and social complexities, we have moved westward again into pioneer simplicity. But the frontier is no more. It has gone forever. Henceforth, when huge problems assail us, we must face them and solve them. We cannot postpone them by carrying them into an undeveloped West. There is a still larger view. For four thousand years, the white race has been slowly migrating westward; from Persia to Greece, Greece to Rome. Rome to Western Europe, thence to the British Isles, and finally to the New World, ever onward and westward. Now there is no more West. The migrations of the race are over, and the great tide is rolling back with a recoil that is world-wide. Had there been no World War, these transitions would still have come upon us with but slightly lessened force.

In our rapid expansion, we have built up a capitalistic society, with an economic structure of gigantic proportions. In this scheme there were the finest possible adjustments in the relationships between production, distribution, consumption, wages, money, banking, and credits. Now the structure has nearly collapsed. We must build from the ground up. In the world of ideas, we find

changes just as sweeping as the changes in industry and finance. Nothing remains sacred. Nothing is accepted on authority. Nothing seems secure. A new discovery tomorrow may sweep away the notions of a lifetime. In the field of government, change has been the watchword. Our country is in its early youth, as the history of nations go, yet our government is one of the oldest. No important nation had its present form of government, when our Constitution was adopted, and most governments have changed within the past ten years, some of them many times. Why is it that our country is relatively stable in an age of chaos? We have suffered economic distress just as have other peoples. realizing it, our social order has been changed, and all this by the process of orderly evolution rather than by violence and revolution. What is the explanation? I am convinced that the answer lies in American education. It is not without significance that we have more high school pupils than all the rest of the world put together, and more college students than all others together. Our elementary education is universal. The time may come when the name of Horace Mann will be as revered as that of Washington or Lincoln. If our financiers had any vital interest in preserving the present capitalistic system and any intelligent vision of the means of preservation, they would be clamoring for maintaining the amount of money to be spent on education, rather than taking their present attitude. If our citizenship could acquire the art of looking ahead, they would cling to the home, the church, and the school as the only hopes of safety for our national ideals. Here is where the common man can make a real contribution. Every man, woman, and child may help find the way out. First, we can make our homes real homes, where each member works unselfishly for the good of all. Secondly, we can make the church once more a vital force in our community life. No one can estimate the tremendous social power that would result, if all our people should become consistent church-goers. Thirdly, we can vitalize our schools, free them from the lowered morale that comes from illconsidered criticism, put behind them the impetus that comes from positive and active support, thus allowing them to achieve what modern educational science and experience have proved possible through means of activity programs, the problem-project method of teaching and the viewpoint that lavs the stress on attitudes. appreciations, and citizenship values rather than on mere drill. These things can be given to the home, the church, and the school without cost, except the cost involved in thoughtfulness. If, for one year, the whole American people should devote themselves unreservedly to these three ideals, a long stop would have been taken toward the complete solution of all of our problems. We can say this with the more grace, because of the fact that most Granville citizens live up to their responsibilities in these particulars.

The past year has brought few changes in our local organization. During the summer, the membership of the Beech Hill School was reduced so much that its permanent closing was seen to be inevitable. The school was temporarily kept open until Christmas, when arrangements were made to carry the pupils to Blandford. Transportation has come to furnish acute problems for almost every school system, our own among the rest. Originally, this was wholly the responsibility of the parent, and the duty was discharged by furnishing shoe leather for the youngsters. Most adults went to school by that route. Later on, the law provided, as it still does, that towns must furnish transportation for pupils living more than two miles from the school. It was never intended to relieve parents of their primary responsibility for getting their children to school, but simply to aid those, who by reason of distance, found it difficult to do so. The vehicle which carried such children went by the door of children who lived less than two miles from the school. The question naturally arose why they, too, should not be carried so far as there was room. This was done. Then others living off from the transportation route and less than two miles from school demanded similar service. Thus, step by step, there has grown up a large transportation item in every school budget, causing the expenditure of school money that does not directly improve class-room instruction. With the increase in high school membership, which has advanced so sharply in recent vears, the high school transportation item has become a large Abuses have crept into this expenditure in a few towns. Now we are faced with the certainty that the legislature will drastically reduce high school transportation, and perhaps eliminate it. The parents of children in our Massachusetts elementary schools may well take a lesson from this, and by their moderation make it less probable that the legislature take equally drastic action in elementary transportation.

Granville still has its major problem of furnishing adequate housing for its pupils. Real progress has been made. The Building Committee has spent a great deal of time, studying all phases of the subject, and they are presenting the voters a pretty accurate and definite report on the whole project. I urge all citizens to give it earnest consideration, because it is the result of long and careful deliberation. The greatest step forward, of course, was that taken by the citizens of Granville themselves on January 19, when they selected a lot, adequate in every way for school purposes, and made their action unanimous. Appreciation should

be formally expressed to all three of our townsmen who were willing to sell land to the town for a school.

When providing for the building itself, a long view of the situation should be taken. It will be a long time with us, and any mistake now will be a matter of regret for more than one generation. There is only about two thousand dollars difference in cost between a building which will "get by" now, costing an increasingly large sum for up-keep each year, and a building with every modern convenience, and constructed with such good materials that its yearly up-keep costs will be negligible. I would plead for long-time economy rather than the saving of the moment. One seldom hears of a now school building on which sums of considerable size are not expended within ten years of the dedication for essential changes that could have been cared for inexpensively when the building was erected, had it not been for false economy at that time. Sometime, somewhere there will be a community wise enough to avoid this. Will it be Granville? Judging by the past, there is excellent reason to hope so.

In closing, permit me to thank the School Committee, t' Building Committee, the Parent-Teachers' Association, Grange teachers, and citizens in general for a spirit of co-operation that has made the past year a very pleasant one for the superintendent.

#### Respectfully,

M. C. MOORE.

Much credit is due Mrs. Cheney for giving her time and automobile to carry children to Southwick for dental care.

MARGARET CROKEN,
School Nurse.

#### MUSIC SUPERVISOR

Following is a report on the musical activities of the Granville schools during the year 1932:—

Primary Grades: Much progress has been made in the technique of music, such as note values, scales, sight-reading of unfamiliar songs, tone quality, and correcting of monotones. There is also an added love for music on the part of the pupils, which goes to prove that this subject has a strong and healthy influence on their young minds. The Rhythm Band in Miss Verrill's room has met with wonderful success and we hope very soon to organize similar bands in West Granville schools.

Intermediate Grades: The singing in these grades is very rapidly approaching the standard of work shown in much larger schools, and their splendid results in two-part singing show a great deal of concentration and co-operation among pupils and teachers.

Also, the constant desire of the pupils in these grades to stand up and sing songs alone proves very conclusively that they are gaining in confidence and poise, which are valuable assets in the making of good citizens.

Grammar Grades: These pupils have shown such amazing improvement during the past year that it is very hard to realize that they are the same pupils of the previous two years. Their attitude towards music is very encouraging and the technical work which they have covered paves the way for outstanding musical performances in the future. They are now all ready for three-part singing, and we earnestly invite any parents or friends who may find it possible to visit our music period, and feel sure that they will realize and appreciate the value of music in the Town of Granville.

Respectfully submitted,

HELEN M. JOHNSON,

Music Supervisor.

## Report of Library Trustees

E

Ba

There are 5,646 books in the Library. 3,386 were circulated from main Library and 507 from West Granville Branch. 570 magazines were lent.

The Library Club and Town have shared equally in purchase of an oil burner, fuel, electric lights, store bells, and janitor's salary.

The recreation room has been used each Monday by the Girl Scouts.

A large proportion of the children who take books are reading the required number to win the state certificate. Adults are urged to enjoy more fully the privileges of the Library and to submit to the Libraries a list of books they wish to be placed in the Library.

#### Respectfully submitted,

ROSWELL O. ROWLEY, JENNIE JOHNSON WHITE, ALICE A. CHENEY.

# TOWN OF GRANVILLE Report of Trustees for County Aid to Agriculture

FOR THE YEAR ENDING DECEMBER 31, 1932

Town of Granville:

The Town of Granville appropriated \$150.00 to the Trustees for County Aid to Agriculture for the purpose of reimbursing the 4-H Club and Home Bureau local leaders of the Town for necessary expenses incurred as group leaders. In short, this money only passes through the hands of the Trustees as it all goes back to Granville people who incur expenses as leaders and follow-up workers for the 4-H and Home Bureau groups.

Seventy-one (71) boys and girls did 4-H Club work in the Town of Granville during the year. David Brooks was sent to Amherst for a two-weeks' training course in 4-H leadership, and Edna Ripley was awarded the Beef Championship and won the medal offered for the best meat stock project. The Garden Club

members exhibited at the local fair and also at Blandford and the Eastern States Exposition. Mrs. Everett Clark, David Brooks, Mrs. B. H. Dickinson, Miss Elsie Haubenreiser, Mrs. Curtis Hunt, Mrs. Porter Frisbie, and Mrs. Herman Patt served as local leaders. These leaders not only rendered valuable assistance themselves, but they also enabled the County workers to serve more people in the Town and do better work. Twenty-six meetingwere held with an attendance of two hundred and nine (209) people.

The Home Bureau Department enrolled one hundred and three (103) women in its various projects, which included packed lunch, better homes, low-cost meals, food preservation, child development, home furnishing, and recreation. Mrs. B. H. Dickinson, Mrs. Joseph Welch, Mrs. Andrew Duris, Mrs. Fred Coe, Mrs. Carl Wackerbarth, Mrs. Moody Oftedahl, Mrs. Ralph Hiers, Miss Edith Reeves, Mrs. R. W. Cheney, Mrs. Richard Dickinson, Mrs. Fred Fox, Mrs. Leon Ripley, Mrs. Porter Frisbie, Mrs. Joseph Boehm, and Miss Esther Boehm served as local leaders for the Home Bureau groups. Twenty-four (24) meetings were held with a total attendance of two hundred and sixty-six (266).

The two Agricultural Agents co-operated with fifty-three (53) farmers during the year, twenty-three (23) of whom carried on definite projects, which included dairying, orcharding, and milk marketing.

The Home Grounds Agent made fourteen (14) home visited Eight (8) meetings were held with an attendance of eighty-two (82). The Garden Study Club took up problems on lawn planting, pruning, growing perennials, and other subjects.

OTIS E. HALL,
Managing Director and Clerk of the Trustees.

### Report of the Auditors

February 12, 1933.

To the Citizens of Granville:

Your Auditors have checked the accounts of the Town Treasurer, Tax Collector, Town Clerk, School Committee, and Library Account as they exist from April 7th (the date of the State Audit) to January 1st, 1933.

We find balances and funds as stated by the Town Treasurer.

We find the financial condition of the Town to be excellent and commend the excellent work of the Tax Collector.

Several accounts have been kept separate, an unnecessary procedure which we understand has ceased since January first.

In some departments overdrafts have occurred. Amount of overdraft is not in question but the fact. No department should allow itself to contract beyond the funds allotted by the Town Meeting. Sanction of the Finance Committee does not validate such overdraft. Approval of overdraft before or after making makes boards or persons so approving parties to violation and we understand liable to action as set forth in General Laws, Chapter 44, Sections 31 and 62.

The overdraft in the Library Account was caused partly by the account being regarded as a separate banking account holding over from year to year and partly by use of income variously derived. Said bank balances and incomes cannot be used unless specifically appropriated by Town Meeting. In the case of this overdraft a transfer has been illegally recorded. The Auditors made no transfer of funds from Reserve Fund or elsewhere during the time of 1932. Since no transfer was made, the Board of Selectmen did wrong in approving and the Town Treasurer did wrong in paying funds beyond Town Meeting appropriation. The Library Committee acted in good faith and can readily be absolved of blame as it acted upon precedent coupled with advice of others and sanction of Finance Committee and Board of Selectmen.

It is the duty of the Board of Selectmen to keep their records in such manner that overdrafts become impossible through ignorance or oversight. The only reason for transfer from Reserve Fund is "extraordinary and unforeseen expenditures". The Finance Committee has been asked for and has voted transfers to cover expenditures which were only possible and bills for which have not yet been rendered. Such action is subversive and destructive and suggests political expediency rather than careful consideration and matured judgment. We request that the Finance Committee organize with care and that it co-operate with the Auditors in carrying out recommendations of both state and local audits and in acting in accordance with both ethical and statute law.

The State Audit called attention to a violation of Section 4-A, Chapter 41, General Laws. To all intents and purposes this violation was repeated in connection with certain payrolls beginning with No. 1 Main Road by the same Selectman. Because of certain complications we do not suggest any deliberate breaking of law. The appointment as foreman by the Board appears to be tacit rather than active, forced by the engineer in charge. Evidence was unanimous that said state engineer suggested appointment in first instance. The co-members of the Board and the Superintendent of Streets failed to sign payroll until threat of stopping work on the road had been made by said engineer.

The situation was further complicated in that the exorbitant wage as "foreman" was claimed because similar wage rate was paid the other Selectmen on so-called Cobble Mountain Road under appropriation through the County Commissioners from the City of Springfield. In said work the wage rate above Town wage rate was five cents per hour for labor; foremen, ten cents; while the Selectmen received the maximum rate of seventy cents, apparently, for acting as Selectmen. These rates were approved by the County Commissioners. It is a matter of questionable policy as well as ethics whether such rates should have been approved or accepted. The work may have required the large number of superintendents and foremen used.

Regardless of whether graft or no graft was perpetrated in the Cobble Mountain situation, it is clear and plain that no individual should have called for a rate out of the Town Treasury equivalent to the rate paid the officer of all road construction and repair performed by the Town under whose direction said foreman-Selectman was supposed to work.

We recommend that either the Town Meeting set or that it direct the Board of Selectmen to set rates of wages and adhere to same in all road work regardless of whether work is financed by Town. State. or County funds or by funds provided by another town or municipality.

The situation is again complicated by the fact another Selectman chosen by the Superintendent of Streets received for similar srvice only the fifty-cent rate, which rate was fixed by engineer in charge as the maximum. In the seventy-cent rate, the appointment was practically made by the engineer in charge without knowledge, let alone approval, of Superintendent of Streets. We believe that the virtual insistence by the engineer in charge and the pressure brought to bear by him deserves investigation by the Department of Public Works.

Whether it is just to request the return to the Town Treasury of the difference between the rate as foreman and the rate as superintendent is doubtful in view of the fact that the other Selectmen received the superintendency rate in connection with the Cobble Mountain job. If it were not for this complication, the Auditors would make such request and we have reason to believe that the Selectman in question would accede.

In view of the criticism of the State Audit upon amounts received by certain Selectman, we could recommend two remedies:

- 1. That any Selectman be prohibited from engaging in work or providing men, team, truck, machinery, or material from the service or sale of which he derives profit through work over which the Selectmen have general oversight. Absolute divorce of road money and Selectmen.
- 2. That all labor and all use of truck, team, machinery, or other apparatus hired be under the direct operation of the Superintendent of Streets or man or men designated by him who shall receive their wages from the Town Treasurer. Contract labor as now tolerated by the Selectmen and Superintendent of Streets is not American and decidedly unethical.

The Auditors have not audited the accounts of the Selectmen or Town Treasurer with reference to the Cobble Mountain expenditures but will if time allows and demand is made.

We recommend that the Town request of the Department of Corporations and Taxes an annual audit. If this is not done, we recommend that the pay of the Auditors be such that the Town might in reason expect a monthly, if not oftener, auditing supervision.

We recommend a careful consideration, after investigation and report by a committee, of the state accounting system. This would eliminate, if adopted, the present local auditing system. For many years local auditors have not been able to make out the State Digest due to inaccuracy and incompleteness of report of Board of Selectmen.

We regret the length of this report but we believe that the citizens and persons involved in criticism are entitled to as full account as reason would dictate.

We have received courteous consideration from all whom our audit has inconvenienced, for which courtesy we are grateful as well as for the assistance given.

HERMAN G. PATT, ELLIOTT F. BARNARD, Auditors.

## Report of the Finance Committee

The State Department of Accounts have directed that appropriations for the pay of Town Officials be brought into conformity with the State Law, and be made to December 31, the same as all other Town accounts.

On the basis of last year's valuation, a tax of \$20.00 on a thousand will pay for the expenditures recommended by the Finance Committee.

Owing to an unforeseen increase in interest for short-term notes, the Reserve Fund was exhausted, and \$5.62 will have to be provided from this year's tax levy to balance the interest account.

#### The Commonwealth of Massachusetts

# Department of Corporations and Taxation Division of Accounts State House, Boston

August 10, 1932.

To the Board of Selectmen: Mr. David F. Kenney, Chairman, Granville, Massachusetts.

#### Gentlemen:

I submit herewith my report of an audit of the accounts of the Town of Granville for the period from October 26, 1929, to April 7, 1932, made in accordance with the provisions of Chapter 44 of the General Laws. This report is in the form of a report made to me by Mr. Edward H. Fenton, Chief Accountant of this Division.

Very truly yours,

THEODORE N. WADDELL,

Director of Accounts.

Mr. Theodore N. Waddell, Director of Accounts, Department of Corporations and Taxation, State House, Boston.

#### Sir:

As directed by you, I have made an audit of the books and accounts of the Town of Granville for the period from October 26, 1929, the date of the previous audit, to April 7, 1932, and submit the following report thereon.

The financial transactions as recorded on the books of the several departments receiving or disbursing money for the Town were examined, checked, and verified.

The books and accounts of the Treasurer were examined and checked in detail. The recorded receipts were analyzed and compared with the records in the departments collecting money for the Town and with other sources from which money was paid into the Town Treasury, while payments were checked with the Selectmen's warrants authorizing them. The cash book was footed, the

cash on hand was verified by an actual count, and the bank balances were proved with statements received from the bank.

The Selectmen's reported payments in the Town report were checked with the warrants and the records of actual payments. The printed report was found to contain numerous errors and was

incomplete to such an extent that it appears to be of little or no value as a report of payments. Greater care in the preparation of the report is recommended.

Overdrafts of appropriations were noted when the appropriations were listed from the Town Clerk's records of Town meetings and compared with the aggregate amount expended from each of the several appropriations.

Attention is again called to Sections 31 and 62, Chapter 44, General Laws, which read as follows:

No department of any city or town, except Boston, shall incur liability in excess of the appropriation made for the use of such department, except in cases of extreme emergency involving the health or safety of persons or property, and then only by a vote in a city of two-thirds of the members of the city council, and in a town by a vote of two-thirds of the selectmen.

Any city, town, or district officer who knowingly violates, or authorizes, or directs any official or employee to violate, any provision of this chapter, or any other provision of general law relating to the incurring of liability or expenditure of public funds on account of any city, town or district, or any provision of special law relating to the incurring of liability or expenditure of public funds as aforesaid, shall, except as otherwise provided, be punished by a fine of not more than one thousand dollars or by imprisonment for not more than one year, or both; and the mayor, selectmen, prudential committee, or commissioners, shall, and five taxpayers may, report such violation to the district attorney who shall investigate and prosecute the same.

In checking the appropriations recorded in the Town meeting records with the amounts raised by the Assessors in the computation of the tax rates, it was noted that the Assessors failed to raise \$226.80 appropriated in 1930 and \$400.00 appropriated in 1931, due to failure of the Town Clerk to report all the appropriations to the Assessors, as required by Section 15-A, Chapter 41, General Laws.

In the previous audit report, attention was called to a deficit in the 1927 overlay account, with the recommendation that the Assessors raise the amount overdrawn as required by Section 23, Chapter 59, General Laws. The account was overdrawn \$118.39 on the present audit date, which amount should be raised by the Assessors in 1932 to comply with the provisions of the section referred to.

In 1931 the Town voted "to authorize the Selectmen to purchase two trucks from the Truck and Tractor Account if funds are available and such action seems necessary." Basing their authority on the foregoing vote, the Selectmen purchased two trucks and, in addition, charged the expense of operating townowned motor equipment to the truck and tractor earnings without a vote of the Town. The charges against truck and tractor earnings caused an overdraft in this account amounting to \$2,250.18 on April 7, 1932. The amount overdrawn should be appropriated by the Town.

If the Town votes to set aside truck and tractor earnings, such earnings are available for expenditure only after an appropriation of a specific amount therefrom has been voted and provided such earnings have accumulated and are on hand. Such an appropriation or other appropriations from available funds should be used by the Assessors in the determination of the tax rate, but may be used as a deduction in the computation of the tax rate only upon the written authority of the Commissioner of Corporations and Taxation. This is required by Chapter 428, Acts of 1931, which amends Section 23, Chapter 59, General Laws.

It was noted that the Selectmen in 1931 sold three trucks owned by the Town for \$46.00. In the absence of a by-law the Selectmen have no authority to sell personal property owned by the Town unless duly authorized by Town meeting vote to do so.

Although the Town has a Superintendent of Streets appointed under the provisions of Section 66, Chapter 41, General Laws, it was noted that one member of the Board of Selectmen was designated as superintendent of a particular highway construction project financed by Town appropriation, with state and county aid. Attention is called in this connection to Section 4-A, Chapter 41, General Laws, which reads as follows:

Except as otherwise expressly provided, a town board may, if authorized by vote of the town, appoint any member thereof to another town office or position for the term provided by law, if any, otherwise for a term not exceeding one year. The salary of any such appointee shall be fixed by vote of the

town, notwithstanding the provisions of section one hundred and eight. In this section, the word "town" shall not include city.

It was also noted that the Selectman in charge of the road construction referred to received, in addition to his compensation for superintending the work, the sums of \$512.80 for a man and team, \$433.00 for the use of a truck, and \$102.40 for lumber.

The accounts of the Tax Collector were examined and checked. The taxes which remained outstanding at the time of the previous examination were audited, and all subsequent commitment lists were added and compared with the warrants issued by the Assessors. The collections were checked, the payments to the Treasurer were verified by a comparison with his books, the abatements were checked with the Assessors' records, and the outstanding accounts were listed and proved.

A verification of the outstanding accounts was obtained by mailing notices to a number of persons whose names appeared on the books as owing money to the Town, the replies received thereto indicating that the accounts, as listed, are correct. The Collector's cash on hand was reconciled by an actual count.

Abatements of taxes were found to be entered as Cash Receipts and Payments, and it is recommended that this practice be discontinued and that only cash actually received or paid out be entered by the Treasurer as receipts and payments in the cash book.

The financial accounts of the Town Clerk were examined. The receipts for sporting licenses and dog licenses were checked with the records of licenses issued, the payments to the state and county respectively were verified, and the Town Clerk's cash on hand was proved.

The report of the previous audit was not published as required by Section 40, Chapter 44, General Laws.

The salaries of elected officials should be fixed by the Town as required by Section 108, Chapter 41, General Laws. This section reads as follows:

The salary and compensation of all elected officers of a town shall be fixed by vote of the town. All boards or heads of departments of a town shall fix the salary or compensations of all officers or employees appointed or employed by them, subject to the provisions of section thirty-one of chapter forty-four. A city may by ordinance prescribe that all fees,

charges, or commissions allowed by law to any officer thereof shall be paid into the city treasury and belong to the city, and in such case shall pay such officer such compensation as the city council may determine.

The accounts of the Sealer of Weights and Measures were examined. The collections were compared with the record of work done, and the payments to the Treasurer were checked with Treasurer's record of receipts.

The Public Welfare Accounts were examined and checked, the records of charges being compared with the accounts of the Treasurer and found to be in agreement.

The accounts of the Library were examined. The receipts were checked, the payments were verified, and the balance of the Library collections as turned over to the Town Treasurer was verified by a comparison with the Treasurer's records.

The savings bank books representing the investment of trust and investment funds in the custody of the Treasurer were examined and listed. The income and other additions to the funds were checked and proved and the payments were verified.

The surety bonds of the Town Clerk, Treasurer, and Collector for the faithful performance of their duties were examined and were found to be in proper form.

Ledger accounts were compiled and analyzed, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the Town on April 7, 1932. There are also appended tables showing summaries of the Tax and Departmental Accounts, as well as tables showing the transactions and condition of the trust and investment funds.

While engaged in making the audit I received the co-operation of all Town officials, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectully submitted,

EDWARD H. FENTON.

Chief Accountant.

Printing Town Reports	192.00
Trustees for County Aid to Agriculture	100.00
Public Welfare	1,840.00
General Highways—Chapter 81	5,400.00
Permanent Highways—Chapter 90	3,000.00
Winter Roads	1,500.00
Bridges and Railings	1,000.00
Educational Purposes	21,325.00
Library	700.00
Law and Order	100.00

Interest on Town Notes			900.00
Street Lighting			540.00
Reserve Fund			1,000.60
Insurance Fund			250.00
Snow Plow Note			250.00
Vocational Education			2,000.00
Improved Road Side			100.00
Liability Fund			250.00

Voted to authorize the Treasurer, with the approval of the Selectmen, to borrow money on and after January 1st, 1934, in anticipation of the revenues of the financial year ending December 31st, 1934.

Voted to raise such sums of money as may be necessary to defray expenses of the Town for the financial year ending December 31st, 1933.

Voted to leave the schedule of wages as prevailed in 1932.

On the question "Shall the Selectmen be allowed to use their own trucks on highway work?" the answer was left in the hands of the Supervisors.

Voted not to reduce the salary of school teachers.

Voted to hire only citizens of the Town on highways.

Voted to appoint a Town Director for a term of three years in accordance with the General Laws of Massachusetts of 1921, Chapter 128.

Voted to sell the gravel bank on Water Street for \$25.00.

Voted to establish a Road Machinery Fund for the purpose of purchasing, repairing, and operating road machinery and appropriate the sum of \$300.00.

Voted to appropriate for expenditures without available assets the sum of \$5.62.

Voted to rescind the vote to establish a School Building Fund of the money received from the sale of the Municipal Electric Plant and from the Electric Light Department.

Voted that the balance left from the sale of the Municipal Light Plant, and the balance of the Electric Light Department now deposited in savings banks with whatever interest may accrue thereon, together with whatever sums may be added to above, shall constitute the School Building Fund. The proceeds of this fund or any part thereof shall on a two-thirds vote of the Town be available for any purpose towards providing a new school building for Granville Village.

Voted to add the sum of \$2,500.00 reimbursed the Town for the payment of Town Hall Notes to School Building Fund.

Voted to appropriate \$3,000.00 from surplus revenue to be added to School Building Fund.

Voted to accept the report of School Building Committee.

Voted that the Town build a new school building on the Pendleton lot under the direction of the School Building Committee and for that purpose the sum of \$18,500.00 plus the School Building Fund be raised and appropriated.

Voted that to meet the appropriation for the construction and originally equipping the Granville School Building there be raised in the tax levy the sum of \$1,000.00 and that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of \$17,500.00 and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Chapter 44 of the General Laws so the whole loan is not more than twenty years or at such earlier time as the Treasurer and Selectmen shall determine.

The following Committeemen were elected:

Town Director for three years, Howard B. Dickinson.

Finance Committee—Ralph G. Hiers, Stephen M. Roberts, Mary H. Wackerbarth, Bertha L. Fox, and Joseph L. Dickinson.

### SPECIAL MEETING JUNE 13, 1933

Voted for repeal: Yes, 229; no, 182; blanks, 39.

Voted: License, 77; no license, 68; blanks, 5.

Voted to take \$500.00 from surplus revenue for Tractor Note.

Voted to ask the Electric Light Company to cancel the contra t for street lighting and to use the remainder of the fund for welfare work.

Voted to leave the matter of a Welfare Board with the Selectmen, and if a woman was appointed, all her expenses derived from her work on welfare be paid by the Town and her salary be determined by the Selectmen.

Voted to ask the School Committee not to hire married teachers.

Voted to carry Accident Compensation Insurance.

Voted to hire a Clerk for the Selectmen and to take \$100.00 from surplus revenue to pay the same.

Voted to take from surplus revenue \$1,500.00 for welfare work.

Voted to take from surplus revenue \$1,000.00 for highway work to match \$1,000.00 received from the County.

Voted that \$385.00 be taken from the surplus revenue to pay welfare costs of 1932.

Voted to take from surplus revenue \$50.00 to pay Henry Barnes land damages.

S. B. ROOT, Town Clerk.

# Report of School Committee

To the Citizens of Granville:

The School Committee organized with Mr. W. C. Prewitt as chairman and Mrs. Alice Frisbie as secretary.

During the past year many difficult problems have arisen which made it necessary for the committee to hold twelve special meetings in addition to their twelve regular meetings.

The number of high school pupils has increased to thirty-eight. There are two enrolled in the agricultural course and six are attending trade school.

The following is a list of pupils attending vocational school during the past year:

Trygve Petersen

Westfield Agricultural

James Matthews

Kingsley Roberts
Westfield Trade

Raymond Beckwith

Ralph Cooley Russell Cooley

Charles Hodge

Springfield Trade

Thorliev Petersen Robert Christiansen Lawrence Newell Fred Quagliaroli Edward Kenney

# Report of the Superintendent of Schools

To the School Committee of Granville:

Herewith is submitted my fourth annual report, it being the thirty-first of such reports in this Union.

The year in Granville has been one of large educational significance. When the New Year was ushered in, every one knew that a new school building was inevitable-sometime; yet no school lot had been purchased, or even chosen. Before the year closed, the key had been turned for the last time in the old village school, which for sixty-one years had fostered the intellectual growth, and centered the school loyalty and sentiment of generations of Granville youth, and in its place a new structure had arisen to give reality to dreams of a better day. Such is the record of a year. This new building is a tribute to the faith of Granville citizenship, for it was started during some of the darkest days of our National history and brought to completion as the days of recovery have slowly developed. It was built wholly by Granville initiative. No one will claim that it is perfect, but at every stage the most thorough workmanship has been built into it, as is evidenced by the enthusiastic approval of the State Building Inspection Service. In addition to its solidity of construction, fireproof nature, features of economical operation and many conveniences, it has a Colonial beauty that fittingly perpetuates the traditions of the old school and expresses the best in our village life. As a matter of history, we should make record of the fact that it was erected under the direction of a School Building Committee, consisting of Ralph Roberts, chairman; Mrs. Alice Frisbie, secretary; Mrs. Alice Cheney, Rev. W. C. Prewitt, Milton Hansen, Ralph Hiers, Jr., and M. C. Moore. The architects were Havnes and Mason of Leominster, Massachusetts, and the contractors R. W. Waterman, Inc., of Athol, Massachusetts. It was financed by a cash surplus from various sources in the Town treasury of over \$12,000, \$1,000 from the 1933 tax levy, and a bond issue of \$17,500, plus interest on these items. The building was built within the original appropriation. In another place is shown the amounts due each coming year for school bonds and interest, together with their effect on the tax rate each year. It is not out of place to state that to duplicate the building at this moment would cost from three to six thousand dollars more than it did cost, and

that the same building five or six years ago would have cost nearly \$50,000.

We must not forget, however, that the school building needs of the Town have been met only by half. The Town must keep faith with the people of West Granville, and give them a new building in the not too distant future. In our joy concerning school progress at the village, we must not neglect to call attention to the fact that the year has seen both West Granville schools advance to a high degree of efficiency, with hard work on the part of pupils, and the most cordial co-operation between community, teachers, and officials. It would be difficult to find a neighborhood that better exemplifies the finer things in New England rural life than does West Granville and its schools.

To complete the record, we have only to mention the resignation of Mrs. Charlotte Clark as teacher of the Ore Hill School, July 12, and of Mrs. Ora L. Gooding, teacher of grades 3, 4, and 5 at the village, on November 18. Miss Myrtle Pomeroy, an honor graduate of Westfield State Teachers' College, was appointed to the Ore Hill School, and Miss Jean Wilder, an honor graduate of the Salem State Teachers' College, to the village position. Both new teachers are proving capable successors to worthy predecessors. Mr. A. D. Goodrich was appointed the first janitor at the new school. Appreciation should be expressed to Mr. Cooley for the gift of a splendid Philgas stove for the new school and to Mrs. Cheney for the accessory furnishings in the reception room.

Attention may well be given briefly to some fundamental considerations of school management. For the first 140 years of its history, the schools of Massachusetts were managed by direct action of the voters in Town meeting assembled. Experience demonstrated clearly that this was a cumbersome and unsatisfactory method in the very nature of things, so for a time the Selectmen ran the schools. This proving only slightly less satisfactory, a special committee was created called the Prudential Committee, the name being changed soon afterwards to School Committee. In New York, and some Middle Atlantic states, a committee of one was developed with the title "Trustee"; but from these early times until now a School Committee of three members has become the typical New England practice. For political reasons, and to secure geographical representation from all parts of the city, some of the cities and large towns have developed a larger committee, but most large towns and practically all small towns have found it best to stick to what the experience of over a century has proved to be the wisest school management, namely, a committee of three. Massachusetts law provides that School Committee members shall serve without pay, except in towns which are in unions. Here the law wisely takes account of the difference in conditions in the large and small towns. In the large town, or city, the committee member can put on his coat and hat and walk to such few school duties as are left to him after the large supervisory staff has performed its work. In the small town, the performance of every duty involves the School Committee member in travel expense. His so-called salary reimburses him only in part for the actual expenses of the office.

Granville is to be congratulated on having an unusually fine School Committee at this time. Each member exercises full independence of judgment while completely respecting the judgment of the others. The result is full discussion, followed by harmonious and effective action. Few committees have ever faced so many and perplexing problems in so short a time as has come upon them this year. The committee has squarely faced them with courage, poise, and broad-mindedness. The question has ever been: What is best for the children? What is best for the Town? What is right and fair? The committee has attempted, in each case, to find the best answer that human fallibility afforded. I believe that, in a Town where the level of citizenship is so much above the average, their conscientious and constructive work will win the commendation it deserves.

In conclusion, a brief look into the future is not out of place. Our new building, in and of itself, does not change the school offering in any revolutionary way. It furnishes an opportunity for improvement of the schools. It remains to be seen what is done with the opportunity. For instance, there is great need to modernize the text-books in Granville. Some progress has already been made, but there is much still to do if our pupils are to compete on equal terms in the high school of a city where a modern junior high school system has just been instituted. Our new schoolhouse shall have been erected in vain unless we also build in it a spiritual building, an house not made with hands.

Respectfully submitted,

MILLARD C. MOORE, Superintendent of Schools.

### SCHOOL NURSING REPORT FOR GRANVILLE

Year ending December, 1933

Number	Days Nursing Service	20
	Children Given Annual Physical Examinations by C. A. White, School Physician	110
Number	Children Having Defects: Number Defective Teeth Number Enlarged Tonsils Number Poor Vision	5
	Corrections	
Number	Children Vision Corrected	2
Number	Tonsils Removed	4
Number	Children Receiving Dental Care at Clinic	2
Number	Children Receiving Dental Care from Family Dentist	i
Number	Certificates Issued at Clinic	1
Number	Children Given 3rd Dose Toxin-Anti-Toxin Diphtheria Immunization	4.
Number	Classroom Talks	68
Number	Home Visits	45

The school children of Granville have been free from children's diseases this year.

There has been a slight increase in correction of defects except in dental corrections.

It is gratifying to note that all except three of the large number of children entering school in September were vaccinated before entering.

I hope that 1934 will show a large attendance at the dental clinic and to family dentists.

MARGARET CROKEN, Registered Nurse.

### MUSIC SUPERVISOR

Mr. M. C. Moore, Superintendent of Schools, Granville, Mass.

My dear Mr. Moore:

Following is a report on the musical program or schedule in the Granville schools during the past year:

Much the same schedule in music has been followed as in previous years, that is, rote and monotone songs and simple note-reading in the first two grades; one- and two-part songs and lesson plans in chromatic intervals in the third, fourth, and fifth grades; and one-, two-, and three-part singing in the sixth, seventh, and eighth grades.

Lessons are also given in fife and drum, and it is hoped that more will decide to take up this training this coming year so that we may form a fife and drum corps, to include West Granville, of course.

We also hope to present operettas and concerts at various times in the new school building, and to specialize in folk and rhythmic dancing.

Yours very truly,

HELEN M. JOHNSON, 36 Bedford Terrace, Northampton.

### FACTS ABOUT COST OF NEW BUILDING

Valuation of Town, 1933, \$1,779,078. Loan: \$17,500 for 10 years at 5%.

Cost of lot: \$2,500.

Appropriation from 1933 tax levy: \$1,000.

Effect of \$3,500 on 1933 tax rate: \$1.97 per thousand. Details of loan and effect of tax rate for each year:

Effect on Tax Rate Year Bonds Due Interest Due Total Due per 1.000 \$875.00 1934 \$2,000.00 \$2,875.00 \$1.62 775.00 1935 2,000.00 2,775.00 1.56 1936 2,000.00 675.00 2,675.00 1.50 1937 2,000.00 575.00 2,575.00 1.45 2,000.00 475.00 2,475.00 1938 1.39

1939	2,000.00	375.00	2,375.00	1.34
1940	2,000.00	275.00	2,275.00	1.28
1941	1,500.00	175.00	1,675.00	.94
1942	1,000.00	100.00	1,100.00	.62
1943	1,000.00	50.00	1,050.00	.59

Note: After 1934 tax rate given might vary one or two cents from above figures as Town valuation moves up or down.

From the above it is clear that if a citizen has property assessed at \$2,000.00, the total of all he will ever pay toward the erection of the new school is \$28.52 spread over a period of eleven years. If his property is assessed at \$5,000.00, the total of his payments will be \$71.30 spread over eleven years. If his property is assessed at \$800.00, his total will be \$11.41 in eleven years. This is for cost of lot, well, building, interest on loan, and redemption of loan.

## Report of Library Trustees

Our Library has 5,714 books. 3,176 were circulated from the main Library and 476 from the West Granville Branch, a splendid percentage.

The Library Club has supplied all magazines and has financed one-half of the running expenses.

The Girl Scout Troop completed their second year in the recreation room. They have moved to the school.

Five children won the State Reading Certificate.

Town Appropriation

In 1934 the Library will have the use of the interest from the Whitney Fund.

Respectfully submitted,

ALICE A. CHENEY, Chairman, R. O. ROWLEY, JENNIE J. WHITE.

of the

# TOWN OF GRANVILLE

Massachusetts

### COMMONWEALTH OF MASSACHUSETTS

### HAMPDEN, ss

To either of the Constables of Granville,

### GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Granville in said County, qualified to vote in Town affairs, to meet in the Town Hall at Granville Center on Monday, February 25, 1935, then and there to act on the articles which follow.

The polls will open at ten o'clock A. M. and will close at three o'clock P. M. unless the time of closing is extended by vote of the Town.

Article 1. To bring in and deposit their ballots for one Moderator, one Town Clerk, one Town Treasurer, one Collector of Taxes, one Tree Warden, two Constables, two Auditors, and three Citizen's Town Committee, each for one year, one Assessor, one Library Trustee, one School Committee, each for three years and three Selectmen for one year.

Article 2. To choose all necessary Town Officers.

Article 3. To hear the annual reports of the Selectmen, Assessors, Board of Public Welfare, Town Treasurer, Tax Collector, School Committee, and act thereon.

Article 4. To see what sum the Town will appropriate for Moderator.

Article 5. To see what sum the Town will appropriate for the Selectmen's Department.

Article 6. To see what sum the Town will appropriate for the Treasurer's Department.

Article 7. To see what sum the Town will appropriate for the Collector's Department.

Article 8. To see what sum the Town will appropriate for the Assessor's Department.

- Article 9. To see what sum the Town will appropriate for the Town Clerk's Department.
- Article 10. To see what sum the Town will appropriate for the Auditor's Department.
- Article 11. To see what sum the Town will appropriate for Election and Registration.
- Article 12. To see what sum the Town will appropriate for Law.
- Article 13. To see what sum the Town will appropriate for the Town Hall.
- Article 14. To see what sum the Town will appropriate for Forest Fires.
- Article 15. To see what sum the Town will appropriate for Tree Warden.
- Article 16. To see what sum the Town will appropriate for Moth Extermination.
- Article 17. To see what sum the Town will appropriate for Inspection of Animals and Provisions.
- Article 18. To see what sum the Town will appropriate for Certifying Town Notes.
- Article 19. To see what sum the Town will appropriate for Health and Sanitation.
- Article 20. To see what sum the Town will appropriate for Weights and Measures.
- Article 21. To see what sum the Town will appropriate for Memorial Day.
- Article 22. To see what sum the Town will appropriate for Insurance on Buildings.
- Article 23. To see what sum the Town will appropriate for Printing Town Reports.
- Article 24. To see what sum the Town will appropriate for Printing Valuation Books.

Article 25. To see if the Town will vote to appropriate the sum of \$25 to be expended by the Trustees for County Aid to Agriculture of Hampden County in accordance with the provisions of the Laws of the Commonwealth.

Article 26. To see what sum the Town will appropriate for Public Welfare.

Article 27. To see what sum the Town will appropriate for General Highway purposes under Chapter 81 of the General Laws.

Article 28. To see what sum the Town will appropriate for Permanent Road Work under Chapter 90 of the General Laws.

Article 29. To see what sum the Town will appropriate for Winter Roads.

Article 30. To see what sum the Town will appropriate for Bridges and Railings.

Article 31. To see what sum the Town will appropriate for Educational Purposes.

Article 32. To see what sum the Town will appropriate for the Library.

Article 33. To see what sum the Town will appropriate for Maintaining Law and Order.

Article 34. To see if the Town will appropriate a sum sufficient to pay the Interest on Town Notes for the ensuing year.

Article 35. To see if the Town will appropriate \$584.00 for Street Lighting.

Article 36. To see if the Town will provide for extraordinary and unforeseen expenditures by a sum not to exceed 5% of the tax levy for the preceding year to be known as the Reserve Fund.

Article 37. To see if the Town will vote to authorize the Treasurer, with approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1935 and to issue

a note or notes therefor, payable in one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44 of the General Laws.

Article 38. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow on and after January 1, 1936, in anticipation of the revenue of the financial year ending December 31, 1936.

Article 39. To see if the Town will appropriate \$250 for the Snow Plow Note, maturing in 1935.

Article 40. To see what sum the Town will appropriate for Vocational Education.

Article 41. To see what sum the Town will appropriate to pay the School House Note.

Article 42. To see if the Town will raise such sums of money as may be necessary to defray the expenses of the Town for the financial year ending December 31, 1935.

Article 43. To see what sum the Town will appropriate for the Insurance Fund.

Article 44. To see what sum the Town will appropriate for the Liability Fund.

Article 45. To see what sum the Town will appropriate to pay the Interest on School House Notes.

Article 46. To see if the Town will vote to transfer the Machinery Earnings of 1934 to maintain the Machinery Account of 1935.

Article 47. To see if the Town will appropriate \$500 to pay the Tractor Note.

Article 48. To see if the Town will appropriate \$323.40 to pay for expenditures without available assets.

Article 49. To see what sum the Town will appropriate for E. R. A. purposes.

Article 50. To see if the Town will vote to buy a Town Dump.

Article 51. To see what sum the Town will appropriate to buy a Town Dump.

Article 52. To see what action the Town will take in regard to Fire Protection.

Article 53. To see if the Town will appropriate \$50 to pay for taking the Census.

Article 54. To see what sum the Town will appropriate for the Board of Health.

Article 55. To hear and take action on the report of the Committee on the Whitney Bequest.

Article 56. To see if the Town will authorize the Selectmen to buy Two New Trucks from the Machinery Fund.

Article 57. To see if the Town will sell the used trucks for \$400.

Article 58. To see if the Town will authorize the Selectmen to take \$1500 from the Machinery Fund to buy Two New Trucks.

And you are directed to serve this warrant by posting attested copies thereof at each of the usual places in Town for posting such notices, seven days at least before the time for holding said meeting.

Hereof fail not, and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hands this seventh day of February in the year of our Lord one thousand nine hundred and thirtyfive.

> PORTER T. FRISBIE, CHARLES E. BARNES, JOSEPH L. DICKINSON,

> > Board of Selectmen.

#### REPORT OF LIBRARY TRUSTEES

The Library has 5,854 books and 2,962 were circulated during the year. In addition to books purchased the State has lent several worthwhile volumes for a period of three months for each consignment.

The Library Club has supplied magazines and has financed one-half of the running expenses.

Ten children won the State Reading Certificate.

Respectfully submitted,

ALICE A. CHENEY, Chairman, JENNIE J. WHITE, ROSWELL O. ROWLEY.

# 1934 REPORT OF THE TRUSTEES FOR COUNTY AID TO AGRICULTURE

### For the Town of Granville

### FINANCIAL

### Receipts:

Balance Carried Over from 1933	\$60.93
Appropriation for the Year 1934	
(amount received)	50.00

Total \$110.93

### Expenditures:

4-H Club Department	\$48.51	
Home Bureau Department	22.08	
Agricultural Department	<u> </u>	
Total		\$70.59

Balance \$40.34

# ACTIVITIES CARRIED AND BRIEF SUMMARY OF RESULTS ACCOMPLISHED

4-H Club Department—Sixty-seven (67) boys and girls did 4-H Club work in the following projects: Canning, Clothing, Corn, Gardening, Forestry, and Poultry.

Eight local leaders assisted as volunteer leaders for this 4-H work. The expenditures shown above for this department were for the necessary expenses incurred by these local leaders during the year for making home visits, attending training conferences at the League office and in a few instances at the State College in Amherst. Nineteen meetings were held in the Town by county and local leaders with an attendance record of one hundred and twelve (112) boys and girls.

Home Bureau Department—One hundred and eighty-four (184) women were enrolled during the year in one or more of the following projects: Christmas Gifts, Our Money's Worth, Children's Coats and Hats, Advanced Recreation, Cotton Dress, Child Development, Food Preservation, Home Care of the Sick, and Dramatic School.

Thirty-five (35) meetings were held with an attendance of four hundred and sixty-four (464).

The expenditures shown above for this department were for expenses incurred by the local leaders who attended training conferences.

Agricultural Department—Thirteen farm visits were made by the Agricultural Agent and state specialists in the Town of Granville. Six days of the agent's time were spent on these visits and attending group meetings of men interested in fruit, agricultural engineering, and tobacco.

OLIN E. HALL.

Managing Director and Clerk.

Detail of financial statement is enclosed.

### REPORT OF THE AUDITORS

To the Town of Granville:

Your Auditors appreciate the cooperation of the Selectmen in following certain recommendations made by the Auditors in April.

We still are anxious to correct overdraft and payment without order defects. We ask the cooperation of departments and individuals that no request for payments except through proper procedure be made of the Town Treasurer to avoid him the embarrassment of refusal as he is under bond to make no payments without proper authorization.

We suggest due date record of notes and interest charges be kept. It would seem good business to investigate interest charges and secure better rates elsewhere as the Town's financial condition warrants better terms.

We feel that Selectmen should not draw overdraft orders and that the Treasurer should not honor overdrafts if drawn. The Treasurer as well as Selectmen should have instant knowledge of the standing of each appropriation. Such knowledge is readily possible if books are kept in methods outlined by representative of State Auditing Department. A department in danger of exceeding appropriation should have the courtesy of a warning. Even if proper of which we have grave doubts, we do not believe it good policy for the Finance Committee to authorize transfers because of overdrafts.

Funds exist only to the extent of appropriations authorized by Town Meeting or Statute Law, hence the necessity of keeping separate account of each appropriation.

We recommend a clearer and more accurate statement of the disposal of the Milton B. Whitney bequest than was recorded in the Town report for 1933. Due regard for the

interest of the Library in said bequest should be given. Its part as now apportioned may not be a just equity.

We express our thanks to the various officials for their

cooperation and courtesy in checking accounts.

Respectfully submitted, HERMANN G. PATT, E. BARNARD,

Auditors.

### REPORT OF SCHOOL COMMITTEE

To the Citizens of Granville:

The School Committee organized with Mr. W. C. Prewitt as chairman and Mrs. Alice Frisbie as secretary. During the past year, the committee has held eighteen meetings.

The committee received a large wool bunting flag for the new school which was a gift presented by Mr. R. W. Waterman, who was the contractor that built the school.

At the present time we are sending thirty-four pupils to High School. One pupil is enrolled in the agricultural course and six pupils are enrolled at Trade School.

The following pupils attended Vocational School during the past year:

Westfield Agricultural—

Kingsley Roberts

Russell Cooley

Springfield Trade—

Robert Christiansen Edward Kenney Fred Quagliaroli Ralph Vecchio

Williard Tryon

Westfield Trade—

Charles Hodge

Trygve Petersen

The following attended high school:

Westfield High—

Wilhelmina Hansen Eda Quagliaroli Virginia Vecchio Faith Bettinger Olga Hansen Bessie Brooks Ruth Mathys Helen Sierastki Henry Wackerbarth Elinor Barnes Christian Jensen

# REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Granville School Committee:

Herewith is submitted my fifth annual report, it being the thirty-second of such reports in this school union.

The year 1934 in the school history of Granville was marked by the completion of some of the tasks, consequent upon the erection of the new building. Perhaps the most important of these was the extensive grading of the school grounds, financed partly by Town appropriation, partly by private enterprise, and partly by Federal funds. The result is unusually fine surroundings for the new building. A modern baseball diamond and a fine tennis court are included. A Colonial stone walk has been laid to the front entrance, which harmonizes well with the building and with the front lawn. We look forward to the planting of some shrubbery about the schoolhouse, and to protective fencing for the tennis court. Inside, a piano has been purchased with money raised by the pupils by entertainments, a movable stage has been built by the Town, and stage fittings have been given by the Parent Teacher Association. We need chairs for the auditorium.

Last year, we mentioned the need for new text books in all the schools of the Town. This year, very substantial progress has been made toward meeting that need, first at West Granville, and more recently at the Village. One change in personnel has occurred. Miss Pomeroy resigned after a very successful year, as teacher of the Ore Hill School. Miss Ruth Eldridge of Palmer, a graduate of Framingham Teachers' College, succeeded her and is doing good work.

An event long to be remembered was the dedication of the new school building on the evening of June 1. The program was as follows: Music, "Life Is A Song"
Invocation

Granville Village School Rev. W. C. Prewitt

Remarks

Mr. S. W. Haynes, Architect

Greetings from Former Superintendents of Schools

Delivery of Keys

Mr. Haynes, for R. W. Waterman, Contractor

Acceptance of Keys, and their delivery to the School Committee, with Remarks

Mr. Ralph Roberts, Chairman Building Committee

Remarks, and Final Acceptance of Keys

Mr. W. C. Prewitt, Chairman School Committee

Song, "Dear Land of Home" Granville Village School

Address

Mr. Frank W. Wright, Deputy-Commissioner of Education Song, "Granville, I Love Thee" Village School

Three former superintendents of the Granville school union were present and gave personal greetings. They were: Superintendent Fairfield Whitney, formerly of Everett, Mass., and now retired, Superintendent Burr F. Merriam of Framingham, Mass., and Superintendent Harold C. Bales, of Milford, New Hampshire. All other former superintendents, except two, sent written messages, congratulating the people of Granville. It is a matter of deep regret that two whose messages were read on that occasion have since died, Superintendent Brick and Superintendent Gushee.

Some improvements cost nothing. A good illustration of this was the action of the Granville School Committee in limiting the age of entrance for Grade One, on and after September 1, 1935. The exact rule is this: "No pupil shall be admitted to membership in Grade One at any time during the school year, unless he reaches his sixth birthday on, or before, January 1 of that school year." That makes the child five years and eight months old, or older, when he enters in September. This rule is, in itself, a concession, for no parent ought to send a child to the first grade in

September, who is younger than six years at that time. The legal age for entrance is seven, that is, no parent can compel the school committee to accept a child under seven, and no child can be compelled to attend school before he is seven. All educational experts regard the year between the sixth and seventh birthdays as the normal age for entrance, and Age-grade tables are constructed on that basis. It is clear that the practice in many towns has led to a too early entrance in school and a consequent immaturity through all the grades, especially where there is no kindergarten. It is unwise to force Nature. Normally, the large muscles of the body develop first and the finer muscles later. Play during the first six years of life secures this normal development; but if we put a child in school before that, the small muscles of the eye are subjected to strain in reading, the small muscles of the wrist are subjected to strain in writing, and the large muscles are in disuse through the necessity of sitting quietly in school. These unnatural strains not infrequently lead to nervousness and irritability; and immaturity often leads to a poor start in class work itself. Just because a child has a keen mind is no reason why he should begin school at an early age. In such a case, it is even more important, if anything, that normal, physical and play development should be sought. From the standpoint of the school much better work can be done in any class, if all its members are of proper maturity.

At the dedication, some interesting facts were brought out. When the school by the brook was opened in 1873, Miss Annie Hull was the teacher of the upper room, and Miss Emily Spring the teacher of the lower room. Miss Hull was the first Normal school graduate to teach in the Town. At the opening of the new Village School in 1934, Miss Katherine Kearins was the teacher of the upper room, Miss Jean Wilder of the middle room, and Miss Marguerite Verrill of the lower room. All are Normal school graduates, as well as the West Granville teachers.

Attention is called to the reports of school nurse and music supervisor and the statistical reports following this. We should like to stress the importance of dental and other clinic work for the younger pupils. A dental program that reaches mainly the older pupils is necessarily a reparative

program, and is justified possibly as a temporary expedient, but it is not proper school dentistry. A dental program that reaches younger pupils, puts their teeth in perfect condition, educates the mother in the proper diet for good teeth, and educates the child in the proper care of teeth is a real school dental program. We are helpless to carry it on, from this standpoint, unless parents provide for the younger children at dental clinics. It is gratifying to note so many who have had dental service from the family dentist. That tends toward permanency.

In closing, may I thank teachers, pupils, parents and officials for the cooperation that has made the past year a pleasant one.

Respectfully submitted,

MILLARD C. MOORE, Superintendent of Schools.

### MUSIC SUPERVISOR

Mr. M. C. Moore, Superintendent of Schools, Granville, Mass. My dear Mr. Moore:

Following is a report of the music situation in Granville for the past year:

I have followed much the same program in music as in previous years, that is, rote songs and easy note-reading in the first two grades; key signatures, chromatics and two-part singing in the third, fourth and fifth grades; and advanced lesson plans and three-part music in the sixth, seventh and eighth grades.

We have given special attention this past year to individual singing, as I believe this training gives the children poise and a desire or willingness to perform in public. For this reason we have presented two plays, one for May Day and the other at Christmas. I feel that the extra work necessary to put on these operettas is more than justified and have had the sincere praise and cooperation of the parents.

In addition, we have introduced the instrumental side of school music, in the way of rhythm band and fife and drum corps, and this coming year we hope to do a great deal more along this line, as we have many new members joining the drum corps, and before the end of June we aim to present the Granville Fife and Drum Corps in full uniform.

### Respectfully submitted,

### HELEN M. JOHNSON,

Music Supervisor.

20

### SCHOOL NURSING REPORT FOR GRANVILLE

Year Ending December, 1934

Number of Days Nursing Service

Number of Days Nursing Service	20
Number of Children Given Physical Examinations by Dr. C. White, School Physician	132
Number of Children Having Defects	63
Number of Defective Teeth (examined by physician)	61
Number of Enlarged Tonsils	9
Number of Poor Vision	1
CORRECTIONS	
Number Tonsils Removed	8
Number Vision Corrected	1
Number Children Received Dental Care at Clinic	14
Number Children Received Dental Care from Family Dentist	21
Number Dental Certificates Issued at Clinic	4

### **EXCLUSIONS**

Thirty-one children were excluded for Chicken Pox.

### CLINICS

Tuberculin Tests were given 78 children.

X-Ray of chest and examinations were given 32 children by Dr. Bernard Goldblatt of Westfield State Sanatorium.

Number of Classroom Talks	68
Number of Home Visits	. 40
Number of Consultations	20
Number Receiving First Aid Treatment	6

It is encouraging to note the increase in correction of defects. I feel sure there will be many avail themselves of the opportunity of attending the dental clinic in Southwick during the month of January. Dr. Whitehead, an experienced clinic dentist will be in charge.

In conclusion, I wish to thank the teachers of Granville for their splendid cooperation in carrying out the health program during the year.

### Respectfully submitted,

### MARGARET CROKEN, R. N.

# Annual Reports

of the

## TOWN of GRANVILLE

Massachusetts

Year Ending December 31, 1935

### COMMONWEALTH OF MASSACHUSETTS

### HAMPDEN, ss

To either of the Constables of Granville,

### GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Granville in said County, qualified to vote in Town affairs, to meet at the Town Hall in Granville Center on Monday, February 24, 1936, then and there to act on the articles which follow.

The polls will open at ten o'clock A.M. and will close at three o'clock P.M. unless the time of closing is extended by vote of the Town.

Article 1. To bring in and deposit their ballots for one Moderator, one Town Clerk, one Town Treasurer, one Collector of Taxes, one Tree Warden, two Constables, two Auditors, and three Citizens' Town Committee, each for one year, one Assessor, one Library Trustee, one School Committee, each for three years, and three Selectmen for one year.

### Article 2. To choose all necessary Town Officers.

- Article 3. To hear the annual reports of the Selectmen, Assessors, Board of Public Welfare, Town Treasurer, Tax Collector, School Committee, and act thereon.
- Article 4. To see if the Town will raise such sums of money as may be necessary to defray the expenses of the Town for the financial year ending December 31, 1936.
- Article 5. To see what sum the Town will appropriate for Moderator.
- Article 6. To see what sum the Town will appropriate for the Selectmen's Department.
- Article 7. To see what sum the Town will appropriate for the Treasurer's Department.
- Article 8. To see what sum the Town will appropriate for the Collector's Department.

- Article 9. To see what sum the Town will appropriate for the Assessors' Department.
- Article 10. To see what sum the Town will appropriate for the Town Clerk's Department.
- Article 11. To see what sum the Town will appropriate for the Auditor's Department.
- Article 12. To see what sum the Town will appropriate for Election and Registration.
  - Article 13. To see what sum the Town will appropriate for Law.
- Article 14. To see what sum the Town will appropriate for the Town Hall.
- Article 15. To see what sum the Town will appropriate for Forest Fires.
- Article 16. To see what sum the Town will appropriate for Tree Warden.
- Article 17. To see what sum the Town will appropriate for Moth Extermination.
- Article 18. To see what sum the Town will appropriate for Inspection of Animals and Provisions.
- Article 19. To see what sum the Town will appropriate for Certifying Town Notes.
- Article 20. To see what sum the Town will appropriate for Health and Sanitation.
- Article 21. To see what sum the Town will appropriate for Weights and Measures.
- Article 22. To see what sum the Town will appropriate for Memorial Day.
- Article 23. To see what sum the Town will appropriate for Insurance on Buildings.

Article 24. To see what sum the Town will appropriate for Printing Town Reports.

Article 25. To see if the Town will raise and appropriate the sum of \$100 to be expended in the Town by the Hampden County Trustees for Aid to Agriculture in accordance with the provisions of the laws of the Commonwealth.

Article 26. To see what sum the Town will appropriate for Public Welfare.

Article 27. To see what sum the Town will appropriate for General Highway purposes under Chapter 81 of the General Laws.

Article 28. To see what sum the Town will appropriate for Permanent Road Work under Chapter 90 of the General Laws.

Article 29. To see what sum the Town will appropriate for Winter Roads.

Article 30. To see what sum the Town will appropriate for Bridges and Railings.

Article 31. To see what sum the Town will appropriate for Educational Purposes.

Article 32. To see what sum the Town will appropriate for the Library.

Article 33. To see what sum the Town will appropriate for Maintaining Law and Order.

Article 34. To see if the Town will appropriate a sum sufficient to pay the Interest on Town Notes for the ensuing year.

Article 35. To see if the Town will appropriate \$584 for Street Lighting.

Article 36. To see if the Town will vote to authorize the Treasurer, with approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1936, and to issue a note or notes therefor, payable in one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, of the General Laws.

Article 37. To see if the Town will authorize the Treasurer, with approval of the Selectmen, to borrow on and after January 1, 1937, in anticipation of the revenue of the financial year ending December 31, 1937.

Article 38. To see if the Town will vote to appropriate a sum of money from the Overlay Reserve to the regular reserve provided for in Section 6 of Chapter 40 of the General Laws.

Article 39. To see what sum the Town will appropriate for Vocational Education.

Article 40. To see what sum the Town will appropriate to pay the School House Note.

Article 41. To hear the report of the School Building Committee.

Article 42. To see what sum the Town will appropriate to pay the outstanding bills of the School Building Committee.

Article 43. To see if the Town will vote to build a new School House in West Granville according to revised plans without the P.W.A.; appropriate \$16,379, more or less, therefor; appoint a building committee; or take any action relative thereto.

Article 44. To see what sum the Town will appropriate for a School Building site.

Article 45. To see what sum the Town will appropriate for a Well.

Article 46. To see if the Town will raise and appropriate the sum of \$16,256.08 for acquiring land and constructing thereon and equipping and furnishing a two-room schoolhouse at West Granville and to meet the said appropriation that the sum of \$2,000 be transferred from Surplus Revenue, and the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow \$14,256.08, under the provisions of Chapter 44, General Laws, and to issue notes or bonds of the Town therefor, under the provisions of Chapter 44, General Laws, said notes or bonds to be payable in 15 years or at such earlier time as the Treasurer, with approval of the Selectmen, shall determine.

- Article 47. To see what sum the Town will appropriate for the Insurance Fund.
- Article 48. To see what sum the Town will appropriate for the Liability Fund.
- Article 49. To see what sum the Town will appropriate to pay the Interest on School House Notes.
- Article 50. To see if the Town will vote to transfer the Machinery earnings of 1935 to maintain the Machinery Account of 1936.
- Article 51. To see if the Town will appropriate \$500 to pay the Tractor Note.
- Article 52. To see what sum the Town will appropriate for Work Relief and the Farm-to-Market Project.
  - Article 53. To see if the Town will vote to buy a Town Dump.
- Article 54. To see what sum the Town will appropriate to buy a Town Dump.
- Article 55. To see what sum the Town will appropriate for the Board of Health.
- Article 56. To hear and take action on the report of the Whitney Bequest Committee.
- Article 57. To see if the Town will authorize the Selectmen to buy a new truck from the Machinery Fund.
- Article 58. To see if the Town will authorize the Selectmen to take \$950 from the Machinery Fund to buy a new truck.
- Article 59. To see if the Town will vote to sell the Air Compressor for \$15.
- Article 60. To see what action the Town will take to extend the water from Granville Center to Granville Corners.
- Article 61. To see if the Town will vote to instruct the Selectmen to appoint one of their Board as Clerk.

And you are directed to serve this warrant by posting attested copies thereof at each of the usual places in Town for posting such notices, seven days at least before the time for holding said meeting.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hands this tenth day of February in the year of our Lord one thousand nine hundred and thirty-six.

PORTER T. FRISBIE, CHARLES E. BARNES, JOSEPH L. DICKINSON, Board of Selectmen.

# Report of Library Trustees

The Library has 5,964 books. 2,546 were circulated from the main Library and 343 from the West Granville Branch. The State, as usual, has given some children's books and has lent some adult books for a period of several months. Worth-while pictures have been lent to us by the Westfield Athenaeum and they have been used in the upper grades.

The Library Club has supplied magazines and has financed one-half of the running expenses, one-half of the janitor's salary, and one-half of redecorating.

The basement has been thoroughly redecorated and some planting has been done on the grounds.

--- children won the State Reading Certificate.

Respectfully submitted,

ALICE A. CHENEY, R. O. ROWLEY.

### ACTIVITIES CARRIED AND BRIEF SUMMARY OF RESULTS ACCOMPLISHED

4-H Club Department—Forty-nine Granville boys and girls were enrolled in the following 4-H projects: Forest Craft, 9; Garden, 20; Poultry, 2; Baby Beef, 1; Clothing, 17.

The Two County 4-H Leaders spent 111/2 days in the Town, held 15 meetings with an attendance of 174.

Helen Ripley of Beech Hill won the gold watch offered by the Thomas E. Wilson Company for the best meat project during the year in the county. Hermann Patt, Jr., won two championship honors with his poultry at the Eastern States Exposition, and Norma Hansen won a prize in the Union Highway Beautification Contest with her flower garden.

Home Bureau Department—107 Granville women enrolled in the following Home Bureau projects: Laying the Foundation for Successful Living, 29; Problems in Silk and Wool, 13; Home Care of the Sick, 38; Children's Coats and Hats, 20; and Christmas Gifts, 7.

The Two County Agents spent eight days in the Town; held 29 meetings with an attendance of 301.

Agricultural Department—The Agricultural Agent co-operated with 19 farmers in the following projects: Legumes and Forage Crops, Potato, Market Gardening, Orchard, Agricultural Engineering, Poultry, Agricultural Economics, and Tobacco.

The County Agent made 25 farm visits in the Town.

# **Auditor**

To the Town of Granville:

We appreciate the care which the Selectmen have used in avoiding overdrafts.

We recommend that entries of assets made available by funds, transfers, or appropriations be made at once with date of same by all officials concerned.

We recommend that all assets accruing from fund since date of Town's receiving its share be made available to the Library Trustees or stand to credit of said fund on deposit.

ELLIOTT F. BARNARD, HERMANN G. PATT,

Auditors.

# Report of School Committee

To the Citizens of Granville:

The School Committee organized with Mr. W. C. Prewitt as chairman and Mrs. Alice M. Frisbie as secretary. During the past year the committee has held fourteen meetings.

Every year we hear remarks about the increased cost of schools and especially that a new school brings increased costs. We would like to call your attention to the following table. These amounts include the amounts for educational and vocational education:

	Appropriation	Expended	Balance
1933	\$24,325.00	\$23,407.31	\$917.69
1934	23,750.00	22,660.81	1,089.19
1935	22,350.00	20,945.51	1,404.49

Although the committee has tried to use the money appropriated for educational purposes as economically as possible, they do not feel that they have lowered the standards of the pupils as may be seen by the following report.

This report was compiled by Mr. Abernethy concerning the marks of Granville pupils as compared with the marks of the school. The report was made at the end of the first marking period. The results are interesting. 8% of the school marks were A's. 9% of the Granville pupils received A. 25% of the school marks were B's and 32% of Granville marks were B's. 42% of the school marks were C's and 35% of Granville marks were C's. 22% of the school marks were D's and 20% of Granville marks were D's. 3% of the school marks were E's and 4% of Granville marks were E's.

At the present time we have 29 pupils attending high school. Two pupils are enrolled at Trade School. During the year the following pupils attended vocational schools:

Westfield Agricultural:

Russell Cooley

Westfield Trade:

Charles Hodge Trygve Petersen

Springfield Trade:

Robert Christiansen Ralph Vecchio Fred Quagliaroli Christian Jensen The following attended high school:

Springfield High:

Lila Fox

Helen Fox

Westfield High:

Ruth Bettinger

Duane Banks

During the past two years the committee has made a great advance in modernizing the text-books of our schools.

There was one change in the teaching staff. Miss H. Jean Wilder resigned to accept a position in Lexington. Miss Marion Bennett, a graduate of Westfield Teacher's College, was elected to fill the vacancy.

The committee feel that they have suffered a serious loss in the death of Alfred D. Goodrich. Mr. Goodrich took great personal pride in his work and was interested in the welfare of the pupils at all times. Many fine compliments of his work as janitor have been brought to the committee by committees of other towns who have had occasion to visit the school.

Respectfully submitted,

W. C. PREWITT, ALICE A. CHENEY, ALICE M. FRISBIE.

### Superintendent's Report

To the School Committee:

Herewith is submitted my sixth annual report, it being the thirtythird of such reports in this Union.

Education is constantly faced with three tasks that seemingly are in mutual conflict: to transmit the accumulated wisdom, learning, and experience of the Race; to develop the young in ways that the present generation wishes; and to lead the coming generation along lines that will put them on a higher plane of living and achievement than their forbears enjoyed. These conflicts can be resolved only when those who now control the schools-taxpayers, parents, and teachers—have an understanding of the Past that is sane rather than prejudiced, a view of the Present that is broad rather than petty, and an outlook upon the Future that is progressive rather than being reactionary or radical. Education has other apparent conflicts. For instance, shall we stress individual accomplishment, or strive for group efficiency in our schools? This becomes less of a problem if we but remember the simple fact that, in almost all that an individual does through life, he acts as a member of some group. To ignore that fact and drill the child into some selfish, isolated success is the worst possible training to give him for living in the world as it actually is. To do him a real favor we must develop his innate spirit of co-operation and fair play, teach him self-control and instill the desire to serve others. If, in our individualized instruction, the ability to think, to feel, and to appreciate is stressed, no conflict will arise with the social aims we have enumerated.

### JUNIOR HIGH SCHOOL

The junior high school, the newest unit in American education, aims to develop the child along lines noted above. It is the plan by which the seventh and eighth grades are placed by themselves and their work thoroughly reorganized. In most instances the freshman class of the regular high school is added, making a three-year junior high school; and leaving three years, instead of four, in the senior high school. Westfield and Springfield operate under the junior high school system. Since, in a small town, the junior high school organization would add appreciably to school costs, it is obvious that

this is not the time for Granville to adopt it. However, something can be done to reduce the handicap our graduates will experience in competing, in senior high school, with graduates of completely organized city junior high schools. First, we can make use of the abundance of modern junior high school materials and texts that are available. We have, to a large degree, already done this. We have introduced into our seventh and eighth grades the Upton series of junior high school mathematics which is used in the Westfield junior high schools. A thorough revision of social science work in geography, history, and civics has taken place, and new texts adopted, to bring about a modern emphasis upon the social and economic phases of the subject, and upon the problem and discussion method of approach in teaching. An adequate supply of reference material has made this more effective. New texts in science, the same as used in Westfield, have been added, furnishing a good background for the general science courses offered in the Westfield senior high school. Some reading material in educational and occupational guidance and in general language have been added. Athletics and physical education are conducted in accordance with the junior high school program issued by the State Department of Education. The Fife and Drum Corps, occasional operettas and plays, boy scouts, girl scouts, and 4-H Club work provide extra-curricula activities so much emphasized in junior high schools. There is more to be done, but these things indicate that we have made very definite progress in our attack upon the problem. The fact that our present high school group is doing very good work indeed suggests that the alert, earnest pupil who graduates from Granville will not be entirely at a loss in competing with those who come from city junior high schools.

### ELEMENTARY GRADES

If good work is to be done in the years just preceding entering high school, the first six grades must lay an adequate foundation. One of the hindrances to good work in these earlier grades is the presence of under-age pupils in a class. Because of the adoption of an age requirement for entrance to grade one, this factor will, in time, be cared for, and all classes will be of proper maturity. Reading is the most fundamental, elementary subject. We have now in operation, for the first time, a complete reading program, with basal texts for all, work books for the first four grades, recreatory reading in abundance for all, work-study type of silent reading for grades four, five, and six, and diagnostic and remedial reading work for grades three and four. The work in arithmetic, language, geography, and history has been thoroughly reorganized and hygiene texts introduced.

### SCHOOLHOUSE

It is clear that in trying to achieve some of the advantages of a junior high school and in reorganizing lower grade work, the problem is vastly increased in a one-room school. Not only for educational reasons, but also, because of considerations of health and comfort, I believe the citizens of the town are a unit in desiring better housing conditions for our West Granville pupils. Rather definite steps, to that end, were taken this summer when application was made for a P.W.A. grant toward a \$25,000 one-story two-room brick school building, with a gymnasium, at West Granville. This was later approved by the Government and a grant of \$11,250 made. The matter was brought before the Town, October 16, for action, and by a vote of 62-11 the project was approved, \$15,000 voted as the Town's share, and a building committee appointed and instructed to proceed. Probably everyone present had some misgivings because of experiences some towns had had under the old P.W.A.; but the new P.W.A., with the Government paying half as much again as under the old and with the labor provisions decidedly liberalized, gave promise of being a satisfactory arrangement, and the expectation was that that Government grant would just about pay for the gymnasium. Committee, in accordance with the instructions of the Town, proceeded to choose a lot, to take an option on the lot chosen, procure plans for a building as described, and to advertise and receive bids. At every step Government regulations were scrupulously observed. At every step the Government required haste of the committee and took plenty of time for its own official acts. When the bids were opened, December 6, they were found to be much too high and it was impossible to proceed unless the Town were to make additional appropriations. The Committee felt that to ask this would be a breach of faith with the taxpayers, and so, without hesitation, they voted unanimously to reject all bids and to withdraw from the P.W.A. But we are not back where we started. Some permanent gains have been made. A lot has been agreed upon and it is being held for the Town at a reasonable price. The Town owns complete plans for a building, ready to start work.

By leaving out the gymnasium it is within our means to build at once and secure the educational and health advantages for the children. After this is built, the plans for a gymnasium would still exist and the gymnasium could be added in five years, ten years, at any time, in fact, or permanently dispensed with as the Town might wish. At any rate, we should have the school itself, which, after all, is the essential point. In conclusion, we feel that 1935, as recorded above, has been a year of very substantial progress, and it is a personal pleasure to have been associated with those who have made this progress possible.

### Respectfully submitted,

M. C. MOORE, Supt. of Schools.

### MUSIC SUPERVISOR

Mr. M. C. Moore, Superintendent, Granville, Mass.

My dear Mr. Moore:

Following is a report of the music activities in Granville for the past year:

As is usual, we have had rote songs in the first three grades, with a great deal of monotone drill and individual singing. In the first grade we have the rhythm band and many little musical games that are enjoyable as well as instructive. In these three grades we also have regular courses in note-reading and learning the values of the different notes and rests.

From the fourth through the eighth grades we have advanced work in note-reading, with two- and three-part songs. We have also taken up the unit method whereby we correlate music with the other studies. We have had an all-French program, a Columbus program, and a Country Fair program in the Village School; together with an English unit and a German unit in the West Granville Schools. The pupils enjoyed this work very much and we plan to continue it the coming year.

We have given concerts and operettas and our Drum Corps promises to be bigger and better than ever.

Respectfully submitted,

HELEN M. JOHNSON,

Music Supervisor.

### SCHOOL NURSING REPORT FOR GRANVILLE

January, 1935, to January, 1936

The program of work followed by the School Nurse has been the same as in previous years. She has assisted the School Physician in conducting physical examinations, aided in immunization clinics and dental examinations.

It is gratifying to note the decided increase in the willingness of parents to give immediate attention to the recommendations of the physician and nurse for correcting defects as the result of the examinations. In some cases the correction of vision or the removal of tonsils has not only given relief to the child but has resulted in an improvement in the school work.

In carrying on the work the nurse has made 57 school, home, and miscellaneous visits, given 54 class-room talks, and has had 47 consultations with parents, teachers, and pupils.

At the first weighing, January, 1935, of the 120 weighed, 100 were up to normal weight, 7 were not gaining, 2 had lost weight. At the September weighing, 5 were not gaining, 4 lost weight. The remaining number of children made a very good gain in weight.

In May Dr. White immunized 28 children. This number shows the wonderful co-operation of parents in the fight against diphtheria.

Two weeks before closing school Dr. Whitehead examined the teeth of 120 children. Fifteen certificates were given for perfect teeth at the examination and 19 certificates were given at the dental clinic. Twenty-nine children received dental care at the clinic.

During September Dr. White examined 110 children. All children entering school for the first time in September were vaccinated except three. These were vaccinated later. Two exemptions were furnished by family physicians. There were four found with defective tonsils, one nutrition. Six have had tonsils removed since previous examination. Four vision defects have been corrected.

Respectfully submitted,

MARGARET CROKEN, R.N., School Nurse.

### Report of an Audit of the Accounts of The TOWN of GRANVILLE

FOR THE PERIOD FROM APRIL 8, 1932, TO JUNE 22, 1935

Made in Accordance with the Provisions of Chapter 44, General Laws

September 12, 1935

September 12, 1935.

To the Board of Selectmen, Mr. Porter T. Frisbie, Chairman, Granville, Massachusetts.

### Gentlemen:

I submit herewith my report of an audit of the books and accounts of the Town of Granville for the period from April 8, 1932, to June 22, 1935, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

THEODORE N. WADDELL,

Director of Accounts.

Mr. Theodore N. Waddell,
Director of Accounts,
Department of Corporations and Taxation,
State House, Boston.

### Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the Town of Granville for the period from April 8, 1932, the date of the previous audit, to June 22, 1935, and submit the following report thereon:

The financial transactions, as recorded on the books of the several departments receiving or disbursing money for the Town, were

examined, checked, and verified.

The surety bonds of the Treasurer, Collector, and Town Clerk for the faithful performance of their duties were examined and found to be in proper form.

The receipts from licenses issued by the Selectmen were checked with the records of licenses granted, the payments to the Treasurer were verified, and the cash on hand in the custody of the Selectmen's Clerk was verified by actual count.

The books and accounts of the Treasurer were examined and checked. The recorded receipts were compared with the records in the departments collecting money for the Town and with the other sources from which money was paid into the Town Treasury, while the payments were checked with the warrants issued by the Selectmen authorizing the disbursement of Town funds. The cash book additions were verified and the cash balance on June 22, 1935, was proved by a reconciliation of the bank balances with statements received from the banks, by inspection of the savings bank books and certificate of deposit, and by actual count of the cash on hand.

The payments of debt and interest were checked with the amounts falling due during the period covered by the audit and with the cancelled securities on file.

The securities and savings bank books representing the investment of trust and investment funds held by the Town were examined and listed. The income was proved and the payments were compared with the Treasurer's accounts.

In checking the payments it was noted that penalties of \$13, \$165, and \$9 were paid to the State in 1932, 1933, and 1934, respectively, for delay in filing annual reports of the Public Welfare department with the State. It is important that these reports be submitted promptly in order that the Town may avoid the payment of penalties imposed under Section 35, Chapter 117, General Laws.

The books and accounts of the Tax Collector were examined and checked in detail. The taxes outstanding at the time of the previous examination were audited, and all subsequent commitment lists of taxes and assessments were proved with the warrants of the Assessors. The recorded collections were checked, the payments to the Treasurer were verified, the abatements as recorded were compared with the Assessors' records of abatements granted, and the outstanding accounts were listed and proved.

As a verification of the outstanding accounts, notices were sent

to a number of persons whose names appeared on the books as owing money to the Town, and from the replies received it appears that the accounts, as listed, are correct.

The financial accounts of the present Town Clerk for 1934 and 1935 were examined. The receipts for dog and sporting licenses were checked with the records of licenses issued, the payments to the State and Town Treasurers were verified, and the cash on hand was proved by actual count.

The appropriations voted by the Town were listed from the Town Clerk's records of Town meetings and a comparison was made with the aggregate amount expended from each of the several appropriations. It was noted that a number of appropriations were overdrawn in each of the years audited, which is in violation of the provisions of Section 31, Chapter 44, General Laws, which reads as follows:

"No department of any city or town, except Boston, shall incur liability in excess of the appropriation made for the use of such department, except in cases of extreme emergency involving the health or safety of persons or property, and then only by a vote in a city of two-thirds of the members of the city council, and in a town by a vote of two-thirds of the selectmen."

It was also noted that appropriations were voted in 1934 and 1935 to provide for unpaid bills of previous years. To incur liabilities in excess of appropriations voted by the Town and to defer their payment to the following year is as much a violation of Section 31, Chapter 44, General Laws, previously quoted, as though the bills had been paid in the year they were incurred and the overdrafts shown on the books.

Department officials should refrain from incurring liabilities in excess of the appropriations voted, even though the appropriations as voted by the Town for specific purposes are, in their opinion, insufficient to provide for necessary purposes, since the Town has stated, in effect, that it desires service only to the extent of the amounts voted.

The computation of the tax rates by the Assessors for the years covered by the audit was checked and it was noted that appropriations, totaling \$1,000 from available funds, voted at a special meeting held on December 29, 1933, were not included in the determination of the tax rate for 1934. In this connection attention is called to Section 23, Chapter 59, General Laws, which requires that the Assessors shall

raise all sums appropriated since the last preceding annual assessment and which also provides that deductions on account of appropriations voted from available funds may be made by the Assessors only with the written approval of the Commissioner of Corporations and Taxation.

The amounts of estimated receipts as used by the Assessors in determining the 1933 and 1934 tax rates were \$780.72 and \$461.65, respectively, in excess of the actual receipts for those years. As a loss in the estimated receipts account has a corresponding effect on the Town's surplus revenue, the Assessors should use great care in estimating receipts from sources other than taxation and loans.

The accounts of the Public Welfare and Old Age Assistance departments were examined. The recorded charges, collections, and disallowances were checked, the payments to the Treasurer were verified by a comparison with the Treasurer's cash book, and the outstanding accounts were listed and proved.

The accounts of the Sealer of Weights were checked by a comparison of the recorded receipts with the record of work done and with the payments to the Treasurer.

The records of Library receipts for fines were checked, the payments to the Treasurer being verified and the cash on hand being proved by actual count.

Ledger accounts were compiled and analyzed, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the Town on June 22, 1935.

Appended to this report, in addition to the balance sheet, are tables showing a reconciliation of the Treasurer's cash, summaries of the tax and departmental accounts, as well as tables showing the condition and transactions of the trust and investment funds.

For the co-operation received from all the Town officials while engaged in making the audit I wish, on behalf of my assistants and myself, to express appreciation.

Respectfully submitted,

HERMAN B. DINE,
Assistant Director of Accounts.
